Rule 35.22 - Return to competition following retirement or other period of non-competition

If an Athlete in the Registered Testing Pool no longer wishes to be subject to Out-of-Competition Testing on account of the fact that he has retired, or has chosen not to compete for any other reason, he shall be required to give notice to the IAAF using the prescribed form. The same Athlete may not then resume competition unless he has given the IAAF 6 months notice in writing of his intention to return to competition and has made himself available for Out-of-Competition Testing by the IAAF in that period by providing the IAAF with whereabouts information pursuant to Rule 35.15. An Athlete who refuses or fails to submit to Sample collection on account of the fact that he has retired or has chosen not to compete for any other reason, but who has not provided the IAAF with notice under this Rule, shall have committed an anti-doping rule violation in accordance with Rule 32.2(c).
