WORLD ATHLETICS SUPPLIERS

Dear Athletes and Teams,

HELLO, WORLD. MEET OREGON!

There is no more hallowed ground in the United States for the sport of track and field than this quaint but avid corner of the country, endearingly known as Track Town USA, and no more storied stadium than Hayward Field at the University of Oregon. With decades of history and scores of world-class athletes, coaches, and innovators, this community is perfectly poised to host the world's most prestigious track and field event. Oregon has long supported the legends of the sport - as they first burst onto the scene at the collegiate championships, pursued Olympic dreams at the U.S. Olympic Team Trials, and established themselves as international icons at the Diamond League's Prefontaine Classic. This is truly the heart and home of track and field in the United States, and we are thrilled to finally welcome you to the World Athletics Championships Oregon22.

While we are not a major global metropolis or bustling capitol city, we are fiercely proud of this place. We are set in the Emerald Valley of the Pacific Northwest and on the land of the indigenous Kalapuya people. Our venues are located on a university campus, with the competition stadium just meters from athlete and team accommodation. Dining, recreation, and transportation are all readily accessible throughout our walkable Athlete Village, with downtown restaurants, bars, and boutiques just a quick trip away on public transit — available to participants at no cost with your accreditation.

These Championships will also be different in other ways ... in Oregon ways:

- **Gather together.** In the wake of recent and not so recent global events that have divided us, we will commune together in common areas. In the spirit of university living, learning, and laughing, our “Olympic Style” athlete village will be hosted in campus residence halls. The village offers multiple dining options to suit every palate, a recreation center and a training venue to prepare for competition, and an international plaza/athlete lounge to meet up and chill out with colleagues and friends.
- **Act Sustainably.** We welcome you to join us in our efforts to promote green, sustainable living, another trait for which we are known and of which we are proud. Oregon is known for its superior water clarity and quality – it is some of the best water in the entire world. Yes, we drink directly out of the tap. So in lieu of distributing thousands of single-use plastic water bottles, notorious for polluting the oceans and harming the environment, we will be gifting each athlete and team official a reusable water bottle and encouraging you to keep it with you and refill it at one of the many stations both in-built within venues and provided especially for the event. You can also bring, use, and refill your own water bottle.

One of our mottos is “Keep Oregon Green”, and to us, that means preserving the fields and forests by minimizing the unnecessary use of printed paper. In this age of digital technology, almost all of the information that needs to be shared can be done through digital means. So here at Oregon22 you'll find that all stadium tickets (including athlete seating) are tickets. Options for team leaders to print and photocopy information will be very limited.

One of the great advantages of Eugene is that everything is so close, no one needs a car while they are here. While we are of course providing official transport between village venues and the training venue, the reality is that for moving between the Athlete's Village and Hayward Field, the simplest option will be to walk – it's literally across the road. Let's all help keep bus use, and the subsequent pollution of the air we all breathe, to a minimum.

- **Celebrate Instantly.** WCH Oregon 22 has worked with World Athletics to pioneer a new way of presenting medals – right at the moment of victory, so the winners have them on their lap of honor. We'll still have the formal victory ceremonies with flags and your national anthem – but we think you will love this new innovation, to get your hands on the prize instantly, to share with family, friends and fans in the stadium.
- **Crown Team Champions.** WCH Oregon 22 has agreed with World Athletics to award team trophies for the first time ever. The top three teams, ranked on points earned, will earn team trophies, with the all-around champions being declared “World Team Champions Oregon22”. In case of a tie, the team with the higher number of gold medals will be awarded the higher place.

Yes, Oregon will be different in many unique ways. The WCH Oregon22 local organizing committee has centered our strategy and adopted initiatives that prioritize inclusivity, aim to drive meaningful change, and put the athletes at the very heart of everything we do. All this to set the stage for your outstanding performances, to celebrate your achievement of ascending to this global stage, and to create an environment where magic is a part of every moment.

WELCOME TO OUR WORLDS!

INFORMATION ABOUT OREGON AND EUGENE

Fun Fact:

Crater Lake is the deepest lake in the U.S. and was formed from the crater of a volcano.

Crater Lake

1.3.1 OREGON

Location

Oregon is a state positioned in the Northwest of the United States. Oregon shares state borders with Idaho, Washington, California, and Nevada with the Pacific Ocean to its western gaze.

Oregon is made up of seven diverse regions: ocean, mountains, valleys, high desert, cities, small towns, and almost everything in between.

Phone Country Code

Oregon's International Country Code (USA) is +1, followed by a 10-digit number. i.e. +1 (XXX) XXX-XXXX

International Calls

To phone another country, dial 011, and then the country that is trying to be reached, the area/city code and the phone number.

Electricity

USA power plugs and sockets are type A and B. The standard voltage is 120 V and the standard frequency is 60 Hz.

Technology

Prior to traveling into the U.S., the LOC recommends the purchase of a SIM Card to connect to the networks within the country for optimal connectivity during your stay.

Services during the stay within the Athlete Village will include Wi-Fi access throughout the Athlete Village for network utilization.

Currency

The currency in the USA and in Oregon is the Dollar (USD). For current currency exchange rates, please click [HERE](#).

Currency Exchange Centers

The LOC recommends that currency exchange has already taken place prior to arrival. The Eugene Airport (EUG) does not have a currency exchange kiosk, but the Portland Airport (PDX) has exchange services. Travelex currency exchange is located at PDX in the ticket lobby and post-security area (Concourse D). The local area of Eugene has limited accommodations for currency exchange processes.

Local Time

PDT – Pacific Daylight Time; UTC/GMT – 7 hours; 3 hours behind New York City, NY

1.3.2 EUGENE

Eugene is at the south end of the Willamette Valley where two large rivers and many smaller ones meet, originally home to local indigenous Kalapuya people. It is also a place of converging ideas. Eugene is full of artists, innovators, and visionaries.

Eugene has a lot of nicknames because it supports a community that is passionate in all its pursuits. Eugene is “TrackTown USA” for elite track and field athletes around the world, the “Silicon Shire” for leaders in the tech industry, “A Great City for the Arts & Outdoors” for its residents, “Home of the Ducks” for collegiate sports fans, and “Emerald City” for the lush green fern forests full of trails for exploring in any weather.

Eugene provides opportunities to explore the city and tour in places around the city.

Click [HERE](#) to view the Things To Do around Eugene.

Climate

Eugene summers are some of the best in the Pacific Northwest with warm seasonal climates and beautiful blue skied days. The weather in July begins with a brisk early morning around 13 °C (55 °F) and will begin to warm up to an average of around 27 °C (80 °F) during the midafternoon until later in the evening.

Wind Speed

The average wind speed for Eugene in July is 7.4 mph.

Humidity

The average humidity level for Eugene in July is 77%.

1.3.3 UNIVERSITY OF OREGON

For the first time on U.S. soil the World Athletics Championships will be staged on the campus and facilities of the University of Oregon.

The University of Oregon is renowned for its research prowess and commitment to teaching. Founded in 1876, the institution's 295-acre campus offering 331 degrees and certificates. The university positions itself between the Willamette River and the world class Hayward Field.

TRAVEL TO WCH OREGON22

Oregon Vineyard

2.1 VISA

The United States has strict regulations about who needs a visa to enter the U.S. If an athlete or team official is a foreign national wishing to enter the United States, they must obtain a visa unless they satisfy the conditions for exception. While Athletes and Team Officials may apply for entry into the United States in a variety of ways, the vast majority should consider applying for the B1/B2 visa. Citizens of 39 countries may qualify for an ESTA under the U.S. Visa Waiver Program, please refer to **Circular M/07/22** for more information. Please ensure that your visa is not expired in order to enter the country.

The LOC has been providing guidance as to how to go about applying for a U.S. visa. Assistance specific to your country of origin, and that may be required as a result of administrative or logistical challenges, is best sought through a United States Embassy in your country of origin.

If your first arrival into the U.S. is not any of the two official ports of entry, Eugene or Portland, please enter the details of your flight into the first U.S. airport in Event Entry System (example, although your final destination is Eugene or Portland airport, the first city you land when arriving to the U.S. may be Atlanta, Denver, New York, etc). This information will be useful for the LOC in case you face any issues at the immigration process when landing in the U.S.

If you have any questions, please contact the LOC:

E-mail address: visa@worldchampsoregon22.com

Phone number: +1 (541) 346-9130

2.2 INSURANCE

Each Member Federation either needs to participate in World Athletics' global medical travel insurance policy (which is our preferred option), or if you are not able to do this, then you will need to satisfy World Athletics that any alternative medical travel insurance policy you are proposing to take out is suitable for care needs in the USA.

Every participant at the Championships will need to have appropriate insurance or other coverage that will cover their medical, dental or other health care needs while they are in the USA as they will be financially responsible for any costs that are charged for medical, dental or other health care needs whilst in the USA whether for urgent or emergency treatment including those that may be caused by or associated with COVID-19. Please see **Section 11.6** for additional medical insurance information.

FUN FACT:

The University of Oregon's official mascot is based on Donald Duck.

2.3 ARRIVALS

When Athletes and Teams arrive in the US, there will be services provided at two official airports, Eugene Airport (EUG) and Portland International Airport (PDX), and no services will be provided outside those airports. The services provided at the airport to Athletes and Team Officials will include transportation of Pole-Vaulting Poles and Transportation ONLY to the Athlete Village. For Pole Vault Form please see **Section 14.5.1**.

2.3.1 EUGENE AIRPORT (EUG)

Located only 10 miles from the University of Oregon, operating as a small-hub airport, the Eugene Airport is the second-largest airport in the state of Oregon. The expected time to the Athlete Village is approximately a 30-minute journey to the transportation hub.

When Athletes and Team Officials arrive, proceed through the secure area of the airport toward baggage claim. Claim your bags and proceed to the WCH Oregon22 Welcome and Transport desk. The desk is located along the baggage claim together with the rental car agencies. The desk will be staffed when there are arrivals. For information about Pole Vault Pole claiming, please see **Section 8.4.3**. Our transport staff will organize groups and direct everyone to the appropriate shuttles. Be sure to check the surroundings for all personal belongings and luggage. On peak arrival days, the shuttles will run approximately every 30 minutes to the Athlete Village and Barnhart for check-in. Approximate travel time is 30 minutes. Once you arrive at the Athlete Village, you will be directed to check-in for room access.

If you experience a flight delay, change, or require special assistance upon arrival, please update travel information in the Event Entry System (EES).

2.3.2 PORTLAND INTERNATIONAL AIRPORT (PDX)

Nestled in the Northeast of Portland, OR, the journey to Eugene, will take approximately 2 hours of travel and a bus journey of 123 miles to the Athlete Village.

When Athletes and Teams arrive, proceed through secure area of the airport toward baggage claim for both domestic and international arrivals. Claim personal bags and proceed to the WCH Oregon22 Welcome and Transport desks. For information about Pole Vault Pole claiming, please see **Section 8.4.3**. There are two desks located in the baggage claim area by carousel 3 (international flights) and carousel 7 (domestic flights). The desks will be staffed when there are arrivals. Our transport staff will organize groups and direct you to the appropriate shuttles. Be sure to check the surroundings for all personal belongings and luggage. On peak arrival days, the shuttles will run approximately every 30 minutes for the Athlete Village for check-in. Once you arrive at the Athlete Village, you will be directed to check-in for room access.

If you experience a flight delay, change, or require special assistance upon arrival, please update travel information in the Event Entry System (EES).

PLEASE NOTE

U.S. Customs when entering the country has an extensive prohibited and restrictions list that may result in a delayed entry. For example, many foods may cause an extended delay in customs. To see list of prohibited and restricted items to prepare for entry, please click [HERE](#).

2.4 DEPARTURES

To confirm departures flying out of either airport, it is essential that the correct departure information is entered into the Event Entry System at least 48 hours prior to scheduled departure. Airport departure times will be coordinated to arrive at the airport at an optimal time prior to scheduled flight departure. Departure schedules will be posted in Athletes and Team Official Accommodation two days in advance of scheduled departure. All Athletes and Team Officials **MUST** check out and return keys prior to boarding airport shuttles. WCH Oregon22 team members will be available at both EUG and PDX to assist unloading shuttles and direct passengers to check-in and security.

3

ACCREDITATION

3.1 ACCREDITATION CENTER

There will be one Accreditation Center serving the participating Teams. The Team Accreditation Center (TAC) is located in Matthew Knight Arena in the University Campus next to the Athlete Village.

In case of arrivals outside the opening times, accreditation formalities can be carried out the next day and teams will have limited access to the Athlete Village for food services and accommodations prior to obtaining their accreditation.

OPERATION DATES & HOURS:

10 July - 21 July: 09:00 - 20:00

22 July - 23 July: 09:00 - 16:00

24 July: 09:00 - 14:00

3.2 ATHLETE & TEAM OFFICIALS

All Athletes and Team Officials must report to the TAC to have their photos taken and to collect their Accreditation badge.

The Accreditation badge must be worn at all times around the neck, with the access areas visible and must be presented upon request. They are strictly personal and non-transferable.

Team Leaders will need to complete all administrative procedures at the World Athletics and LOC office before proceeding to the TAC to be issued with their accreditation.

3.3 TEAM ADMINISTRATION

3.3.1 TEAM LEADERS

Upon arrival, Team Check-in will be processed by the Team Leader within Kalayupa Ilihi Hall where the Team Leader will be given the Resident Hall keys and Meal Points cards for their team (please see **Section 5.4.2** for reference). Upon retrieval of the keys, the athletes are suggested to familiarize themselves with their accommodations for their stay.

The Team Leader must then report to the LOC/World Athletics Office at Team Administration located at Bean Hall to complete the following formalities:

- » Team Accommodation Invoice
- » Travel Reimbursement
- » World Athletics Financial Statement
- » Final Confirmation of Entries
- » Uniform Check
- » Athletes' Agreement Forms from only U18 Athletes
- » Collection of bibs and special passes

The Team Leader will be asked to complete the accounting procedures and settle any extra payments (for Team Officials, use of single rooms, extra days, etc.) before collection of their Accreditation badge, which will be issued only upon presenting a document stating all procedures have been completed.

3.3.2 SPECIAL PASSES

World Athletics shall provide special passes as required for the following categories:

- » Warm-up Areas (number of passes depends on team size)
- » Combined Events Rest Area (two per Athlete)
- » TIC (only for collecting items from the pigeonhole – up to a maximum of three per team depending on team size)
- » Road-Race Refreshment Stations
- » Field Events Coaches Passes

There will be no guest passes or access allowed for unaccredited or unauthorized persons in any accredited areas.

3.3.3 EXTRA COACH PACKAGE

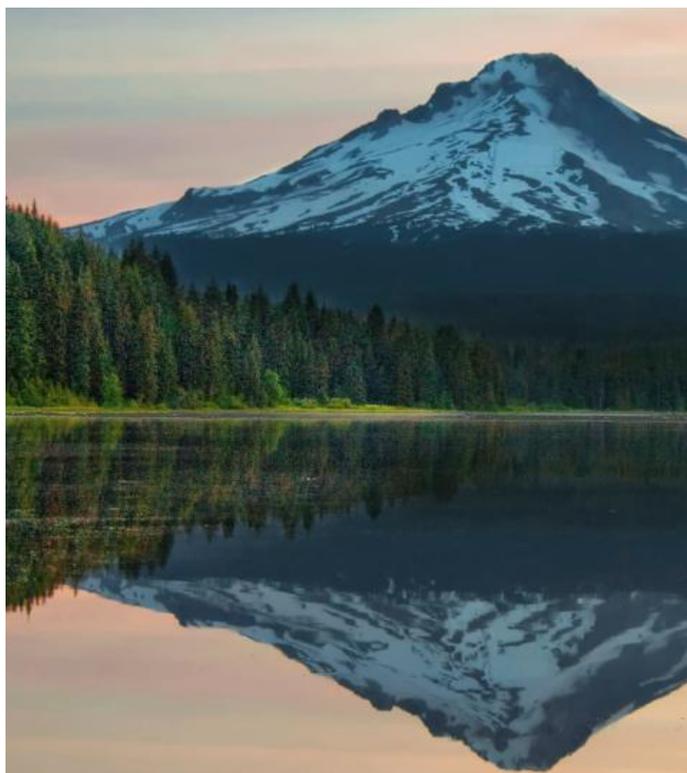

An extra coach package will be available for purchase for a limited number of officials above the 80% quota.

Extra Coaches must be entered in the World Athletics online Event Entry System by selecting the appropriate category in the officials' section.

The Extra Coach Package is priced at \$300 and will not provide accommodations and access to the food services within the Athlete Village, but will include the following:

- » Access to event transportation
- » Access to the official training venue
- » Access to International Plaza
- » Eligibility for stadium field coaching pass with accompanying accreditation, as distributed by Member Federation
- » Eligibility for Member Federation ticket distribution

Extra Coaches must collect their Accreditation badge in person at the TAC.

Mt. Hood

FUN FACT:

Mt. Hood is the highest mountain in Oregon; the 4th highest in the string of Cascade Mountain Range

3.4 ACCREDITATION USAGE POLICIES

Loss of Accreditation Badge

The loss or theft of an Accreditation badge must be reported immediately to the TAC or the TIC at the stadium. In order to obtain a new Accreditation badge, the team member must proceed to the TAC carrying an Official national identification document (e.g., passport).

Incorrect Use of Accreditation

Any Accreditation Card found being used by someone who is not its owner will be confiscated and its owner will be subject to sanctions including possible ineligibility for their participation in the Championships and future World Athletics events.

Forgotten Accreditation

It is important that any individual attending or working the World Athletics Championships always have their accreditation badge with them. Forgotten badges will only be replaced in extreme circumstances, and therefore the majority of cases will require the individual to retrieve their forgotten badge. Any agreed cancellations or replacements will potentially be subject to a lengthy approval process.

3.5 ATHLETE AND TEAM SEATING

ACCESS TO THE ATHLETE AND TEAM OFFICIAL SEATING IN THE STADIUM WILL REQUIRE AN ACCREDITATION.

Ticketing

The LOC and World Athletics will distribute tickets to Member Federations for competition sessions within Hayward Field that will provide seat allocations for both Athletes and Team Officials. All tickets will be distributed via ticketing. Individuals purchasing the Extra Coach Package must be selected to receive a ticket by the Member Federation.

For separate ticket purchasing information see **Section 13.4**.

International Plaza

For alternative viewing of the competition, the LOC has built an International Plaza within the village footprint in which Athletes and Team Officials can watch live feeds from Hayward Field and Road Events while enjoying the atmosphere provided in the International Plaza.

4

FINANCIAL SUPPORT

4.1 MEMBER FEDERATION OBLIGATION

Travel and accommodation support for participation in the World Athletics Championships will be offered by the LOC as detailed below to all Member Federations that have met their obligations to World Athletics. Should you have any doubt or question concerning the administrative position of your Member Federation toward World Athletics, contact Mr. Jee Isram, International Relations & Development Senior Manager for World Athletics: jee.isram@worldathletics.org.

4.2 SUPPORT

Accommodations

The LOC will offer financial support to all Athletes competing in the World Athletics Championships who will benefit from economy class travel and full-board accommodation in twin or triple rooms for a maximum of 13 nights during the period of the Championships (arrival 12 July, departure 25 July). There is no financial support for any Team Officials.

Travel

The LOC is covering the equivalent amount of round-trip tickets in economy class to all participating Athletes.

Member Federations have been given three options to choose from regarding their travel arrangements, expanding the flexibility from previous World Championships. **See Circular M/09/22 for reference.**

Please Note: To receive any agreed travel expense reimbursement, the following documents must be given to World Athletics on site, during the accreditation procedure, for the athletes.

- » **The ticket (or e-ticket) indicating the price**
- » **The original invoice from the travel agency**

If one of the above-mentioned documents is missing, the travel costs will be at the charge of the Member Federation.

4.3 REIMBURSEMENT

Accommodations

In cases in which the Member Federation has been authorized to purchase its own flight tickets and World Athletics needs to refund the corresponding cost, the amount to be refunded will normally be used to cover all or part of the extra accommodation costs. However, if the amount is insufficient, or if the travel arrangements have been made by World Athletics, the extra accommodation costs must be paid for by the Member Federation directly prior to any accreditation given. Payment must be provided **by card**, not cash.

Travel

If you have been authorized by World Athletics (on behalf of the LOC) to purchase your own tickets, the agreed amount for each competing Athlete will be included in the World Athletics / LOC Financial Statement issued on site. It should be noted that no cash refund payments will be made to teams on site. Reimbursements will be made by bank transfer after the Championships.

ACCOMMODATIONS

5.1 GENERAL INFORMATION

The LOC is the official accommodation service provider for the World Athletics Championships and will manage the accommodation, conference space, and meeting room requirements for all teams. The LOC has made accommodation arrangements for Athletes and in quota Team Officials at the University of Oregon campus. The campus will officially open with full services on Tuesday 12 July 2022 at 09:00 but will commence a pre-opening on 10 July 2022. Prior to 12 July there will be a reduced help desk service to assist with accommodation matters for any teams who arrive earlier.

Any damage to any rooms or hall fixtures will be the sole responsibility of the occupier/Member Federation and must be paid to LOC prior to check out, as the LOC will not be responsible for any kind of damages charged.

5.2 ALLOCATION PROCEDURE

The number of Team Officials who may be accommodated within the Village will be limited overall to 80% of the number of participating Athletes (e.g., if the team has 50 Athletes the maximum number of officials is 40).

The officials are divided into two categories, see **Section 14.3**.

- » Subsidized officials (up to maximum 55% of the participating Athletes)
- » Non-subsidized officials (up to maximum 25% of the participating Athletes)

It will be possible for additional officials (above 80%) to be accredited but they will have to purchase an Extra Coach Package, see **Section 5.4.4**.

5.3 CHECK-IN/CHECK-OUT PROCEDURES

Check-in

Check-in is available upon arrival. There is no official check-in time due to the residence halls being available to the event with exclusive use; thereby for early arrivals we should be able to ensure rooms are available for you upon arrival into the village.

Upon arrival, Team Check-in will be processed by the Team Leader within Kalayupa Ilihi Hall where the Team Leader will be given the resident hall keys and Meal Points cards, please see **Section 5.4.2** for reference, for their team. Those staying in Barnhart will proceed prior to arriving in the Athlete Village to Barnhart Hall to complete check-in and key distribution processes. Upon retrieval of the keys, the athletes are suggested to familiarize themselves with their accommodations for their stay, and Team Leaders are recommended to proceed to Team Administration, located at Bean Hall. WCH Oregon22 team members will assist with any luggage transportation to the resident halls.

Check-out

Due to the residence halls being exclusive for the competition there is no official check-out time; rooms can be held until your allocated departure time.

Upon departure of the campus all Athletes and Team Officials must report to the departures desk in Kalapuya Ilihi where they will need to hand in their room key and Meal Points cards. At this point they will be given documentation that allows them to access the departure transport.

Anyone that does not complete the departure process will not be allowed on to the departure transport. Any lost room keys and Meal Points card will result in a fee being charged to the individual.

5.4 ATHLETE VILLAGE

The Athlete Village is comprised of six university residential buildings. Three of those buildings are designated for Athlete Accommodation, two for Team Official Accommodation, and one will accommodate Athletes and Team Officials together. Room configurations include single, double, and triple occupancy. Each style of room configuration will be allocated to each team on a pro rata basis by LOC, and no changes will be made.

You can tour the residence halls and all Championships venues by visiting the link [HERE](#)

5.4.2 MEAL SERVICES

Resident Halls

There will be a variety of dining experiences provided in Unthank Hall, Barnhart Hall, Global Scholars Hall, and Carson Hall. Meals will be provided through a preloaded Meal Points card to purchase the provided meal services within the Resident Halls. Also, provided surrounding the dining areas will be cash options only for café services (i.e. specialty pastries, coffee and specialty drinks).

MEALTIMES WILL BE AS FOLLOWS:

Breakfast: 06:00 – 10:00

Lunch: 12:00 – 16:00

Dinner: 18:00 – 22:00

Late meals will be arranged for people that are in anti-doping. On the days of the Marathon Races and 20km/35km Race Walk, additional dining services will be provided from 03:00 to 06:00 at Barnhart Hall and Global Scholars Hall:

Friday, 15 July – 20km Race Walk, Women and Men

Sunday, 17 July – Marathon, Men

Monday, 18 July – Marathon, Women

Friday, 22 July – 35km Race Walk, Women

Sunday, 24 July – 35km Race Walk, Men

Food Delivery Service

Food delivery service will be available for athletes in the Athlete Village. The location for food delivery for the Athlete Village is designated to be Lot 33 (1577 Moss St, Eugene, OR 97403). Athletes and Team Officials housed at Barnhart will use the parking lot located behind Barnhart for Meal Delivery (1000 Patterson St, Eugene, OR 97401), see **Section 14.4.1**.

Constituents will be responsible to book and pay independently.

Meals Points Card

A Meal Points card will be given to all Athletes and Team Officials when completing the check-in process. The card will serve as a meal purchasing device for only the predetermined dining locations: Barnhart, Global Scholars, Carson and Unthank. This card will be loaded with 20 points per day and can be used at each of the dining spaces provided. After each day the card will reset back to 20 points to use the following day, and this will occur every day. Please note that there will be no carryover points, in which any left over points from the previous day will be reset to the set number of 20 points. Literature and assistance will be provided at each dining hall for help on using this card.

There will be cash options only for café services (i.e. specialty pastries, coffee and specialty drinks) that will not require the use of your Meal Points card.

Painted Hills

5.4.3 SUPPLEMENTAL SPACE SERVICES

Meeting Rooms

Meeting rooms are available at all Resident Halls and will be bookable by the hour.

Reservations for Rooms should be made via the CID in the Global Scholars' Hall.

Physiotherapy Rooms

There will be limited availability for team medical staff at Athletes' Medical Areas of the Athlete Village for teams to set up their own massage beds. Teams should strongly consider booking extra rooms for this purpose. LOC physiotherapy and sport massage services will be available at these two clinics (Hayward Field Stadium and Autzen Complex for Road Events) as described in the Medical Section, with bookable spaces within the Resident Halls.

Reservations for this should be made via the CID in the Global Scholars' Hall.

5.4.4 COST AND PAYMENTS

The following arrangements concern all Athletes and Team Officials, see Section 5.2.

Accommodation for all participating competing Athletes (on a shared twin/triple room basis) within the subsidized period is paid by the LOC.

Please refer to the chart below for price per person/per night:

All prices per-person, per-day. Incl. FULL BOARD and taxes	Official Period - University Campus (Arrive: Tuesday 12 July - Depart: Monday 25 July 2022 - Maximum 13 nights)		
	Triple	Double	Single
Participating Athletes	Paid by LOC	Paid by LOC	\$100
Subsidized Officials (55%)	\$125	\$150	\$200
Non-Subsidized Officials (56%-80%)	\$150	\$175	\$250

The accommodation invoices will be based on the information (number of persons and arrival/departure details) provided in the Final Entries, with a tolerance of two persons. Any cancellation received after 7 July (after the first two persons) will be considered as a no-show and will be invoiced by the LOC for the corresponding reservation period. For early arrivals between 10-11 July please refer to the Accommodations Manager for rates.

Member Federations will be required to settle, in full, all the extra accommodation costs not covered by the LOC immediately upon arrival in Oregon, prior to the accreditation procedure. In most cases these extra costs will be for:

- » Accommodation of Team Officials
- » Athletes' single room occupancy

Bookable spaces for teams' meetings will be available at each resident hall, see Section 5.4.3.

TRANSPORT

6.1 GENERAL INFORMATION

WCH Oregon22 LOC will arrange transportation between the official venues. However, we strongly encourage walking, cycling and the use of public transportation for all constituent groups.

Walk

The Athlete's Village is a short walk to Hayward Field and the Autzen Complex.

Bike

Eugene has a bike share program through PeaceHealth; including, 300 bikes are available throughout Eugene, with 3 locations near the Athlete Village. Once you have downloaded the PeaceHealth application, it can be used to unlock the bikes. Pay as you go. The bikes can be parked at the 50+ designated PeaceHealth racks for free, or for a nominal fee at any bike rack within the PeaceHealth serviced area, for more information click [HERE](#).

Ride

The Lane Transit District (LTD) Public Transportation is available throughout Eugene. For more information see **Section 6.3**.

6.2 OFFICIAL TRANSPORT OF OREGON22

Team members will have access to the following event transportation services with their accreditation.

- » Shuttle service from Athlete's Village and Barnhart to/from Lane Community College Training Venue 12-24 July from 09:00 - 12:00; 14:00-19:00 every 30-60 minutes as needed.
- » Minibus service to Athlete's Village to/from Barnhart 12-24 July from 09:00-19:00 every 30-60 minutes as needed.
- » Minivan shuttle service to Hayward Field (Gate E) to/from Athlete's Village 15-24 July: every 30-minutes as needed. All buildings are within a few minutes' walk between each other, and Athletes are encouraged to walk.
- » Minibus shuttle service to Athlete's Village and

Hayward Stadium (Gate E) to/from Barnhart 15-24 July every 30-minutes as needed.

- » Shuttle service to Road Events from Athlete's Village and Barnhart will take place on competition dates (July 15, 17, 18, 22, & 24) every 30 minutes as needed.

6.3 TRANSPORTATION SERVICES

6.3.1 PUBLIC TRANSPORTATION

Eugene has a robust public transportation system. The EMX is the main line that runs through Springfield and Eugene. The nearest stop to the Athlete Village is Agate Station on Franklin Blvd. and Agate St. The EMX line provides access to other parts of the University of Oregon campus, and Downtown Eugene where restaurants and shops can be found. Event Accreditation will be recognized for complimentary travel on these services for the duration of the Championships. For routes, and times, click [HERE](#).

6.3.2 RIDE SHARE

Ride share service will be available for athletes in the Athlete Village. The location for ride share in the Athlete Village is designated to be Lot 33 (1577 Moss St, Eugene, OR 97403). Athletes and Team Officials housed at Barnhart will use parking lot located behind Barnhart for Ride Share (1000 Patterson St, Eugene, OR 97401), see **Section 14.4.1** for reference.

Constituents will be responsible to book and pay independently.

6.3.3 VEHICLE ACCESS PARKING PERMITS (VAPPS)

WCH Oregon22 will not provide any vehicles to Member Federations during the duration of the championships, but with very limited availability will offer Vehicle Access Parking Passes (VAPPs) for Member Federations.

The VAPPs are available at \$300 (for entire event) for assigned Athlete and Team Official Lots and are assigned to individuals, organizations, or specific vehicles. VAPPs will provide access and/or parking to enable authorized personnel to operate their vehicles near and within competition venues. VAPPs are required for all vehicles parking on campus.

INFORMATION CENTERS

7.1 TECHNICAL INFORMATION CENTER (TIC)

The TIC is located in the competition venue adjacent to the warm-up area on Hayward Field 1. The main task of the TIC is to ensure a smooth liaison between each Member Federation and the LOC, the World Athletics Technical Delegates, and the Competition Management of the Championships regarding technical matters.

From 10 July, an Virtual TIC will be operating and will cover all the main tasks of the TIC. Team Leaders will receive a link and credentials to access the service.

Final confirmations (including Relays) must be done by Member Federations using the Online Confirmation tool on the Virtual TIC platform.

Virtual TIC will also provide all information normally shared by TIC in a dedicated section for downloads. It will be also possible to send general inquiries, withdrawal forms, doping control requests and written appeals.

The TIC is responsible for, but not limited to, the following:

- » Displaying on the relevant notice board of official communications to the teams, including Start Lists and Results. Call Room reporting times will also be displayed at the Warm-up Areas
- » Distribution of urgent notices to the delegations from the Technical Delegates and Competition Management. It is the Team Leader's duty to report regularly to the TIC to collect this kind of information
- » Receipt of written questions for the Technical Briefing (deadline: 13 July 2022 at 18:00)
- » Assistance on Final Confirmation and Relay Order Confirmation online
- » Receipt of Withdrawal Forms
- » Managing National Record Doping Control requests
- » Written Appeals
- » TIC General Enquiries

The Virtual TIC platform will provide the Team Leader with the same above information and give also the option to submit the mentioned forms, appeals and inquiries.

Operational Dates:
13 July 2022 – 24 July 2022
Operational Hours:
13 July: 10:00-18:00
14 July: 09:00-19:00

On competition days, from two hours before the start of the first event of the day until at least one hour after the end of the last event of the day.

Temporary TICs will be located in the Moshofsky Center, adjacent to the Marathon/Race Walk Start Line. These TICs will handle only matters relating to those events.

The TIC will be the main center for technical information, although certain documents produced in the TIC will also be distributed to the Championships Information Desks (CID) for circulation. Only accredited person with a TIC pass will have access to TIC and CID.

7.2 CHAMPIONSHIPS INFORMATION DESK (CID)

These will be situated at Help Desks with Posting Boards in each of the University Halls and will be linked to each other as well as to the TIC. They will be responsible for, but not limited to, the following:

- » Displaying official communications to the teams on the relevant notice board, including Start Lists, Results and Call Room reporting times.
- » Distribution of urgent notices to the delegations from the Technical Delegates and Competition Management. It is the Team Leader's duty to collect this kind of information in due time.
- » Receipt of written questions for the Technical Meeting (deadline: 13 July 2022 at 18:00)
- » Receipt of Final Confirmations.
- » Distribution of information and answering of queries for issues relating to accommodation, meals, transport, and the Championships in general.

All the above communications and information will be available on the Online TIC platform as well.

Opening Dates and Times will be as follows:

Operational Dates: 11 July 2022 – 25 July 2022
Operational Hours: 08:00 to 24:00
***With limited services 10-11 July**

7.3 DOCUMENT DISTRIBUTION

Sustainability is a key commitment for WCH Oregon22 and together we are trying to do our part providing information as paperless as possible.

World Athletics has established a Virtual TIC to reduce the amount of printed material distributed to the Teams at the TIC at the Stadium, Road Events, or at the CID at the University Halls.

Team Leaders are strongly encouraged to download the WhatsApp application

In practice this means that the distribution of competition related information at the TIC and CID will not be made through printouts but will be distributed via the Virtual TIC, displayed on the notice boards (also available at the Warm-up Area) and (for the more urgent matters) sent by Whatsapp group to the Team Leaders (their mobile number must be entered in Event Entry System). Important notices (e.g. changes to the timetable) will also be distributed via the Virtual TIC and displayed on the Posting Board while individual communications to specific teams will be posted at the TIC and sent by emails.

7.4 WORLD ATHLETICS COMPETITION DEPT OFFICE

Staff from the World Athletics Competitions Department will be in Eugene to assist the LOC with the final preparation and conduct of the Championships, and the teams with their participation.

They can be contacted as follows:

10 TO 14 JULY 2022	Via World Athletics Office in Bean Hall
15 TO 24 JULY 2022	World Athletics Competitions Office at the Hayward Stadium, which can be contacted through the TIC

VENUES & EQUIPMENT

8.1 COMPETITION VENUES

8.1.1 HAYWARD FIELD

Hayward Field has been the home of legends since its inception. Named after one of track and field's most innovative early coaches, by the time the first grandstand was built in 1925, the University of Oregon had already produced two All-Americans and won a Pacific Coast Conference title.

Every passing season has brought changes, but the two constants have been excellence and accolades. More U.S. Olympic Track and Field Trials and NCAA Outdoor Track and Field Championships hosted than any other venue; more "World's Greatest Athlete" titles bestowed upon decathlon world record breakers than at any other venue; and more incredible performances than you could name in the time it took Steve Prefontaine to run a mile.

The newly renovated Hayward Field at the University of Oregon is a world-class track and field facility. The reimagined stadium gives athletes an unparalleled stage on which to push the limits of what is possible while providing the ultimate fan experience—a theater for track with comfortable seats, in-stadium amenities, amazing sight lines and intimacy to the competitors.

8.2 TRAINING VENUES

8.1.2 AUTZEN COMPLEX

Race Maps will be seen in **Section 14.4.3 & 14.4.4**

Race Walk

The start and finish will be in front of Autzen Stadium. The course is a 1km loop for both the 35km and the 20km in an anti-clockwise direction.

Marathon

The men's and women's marathons, respectively, will be contested on a 14-kilometer looped course that will run through Eugene and Springfield. They will start and finish in front of Autzen Stadium.

The course follows long sections of the iconic marathon course used for the 1972 and 1976 U.S. Olympic Trials, while also being routed to showcase the beauty and history of Oregon through the landmarks and landscapes of Eugene and Springfield.

See **Section 10.14.1** for more information on Marathon Course.

8.2.1 LANE COMMUNITY COLLEGE

Located 4 miles south of Hayward Field, this venue is home to the Lane Community College Titans. There will be a circulating transport system to and from the venue located at the Village Transport Hub in Lot 34E in the Athlete Village, see map in **Section 14.4.1**, and at Barnhart Hall.

The facilities include:

- » One 400m 8-lane track
- » Four Horizontal Jumps pits
- » Two High Jump beds
- » One Pole Vault bed
- » Weight Training and Fitness Room
- » Starting blocks
- » Hurdles
- » Javelin Throwing Area
- » Shot Put Area
- » Medical Services

A Mixed Zone will be provided in the venue and will follow the training schedule.

The Venue will be open from 12 July 2022 for training daily from 09:00 - 12:00; 14:00-19:00, except for the evening of 24 July 2022. See **Section 14.1** for detailed training schedule.

8.2.2 HAYWARD FIELD (HEAVY THROW TRAINING AREA)

Located outside the south end of Hayward Field will conduct training for Hammer or Discus training purposes only.

See Section 14.1 for detailed training schedule.

8.3 ATHLETE ORIENTATION AT HAYWARD FIELD

Athletes will be given the opportunity to visit Hayward Field before the competition to do some light training without equipment or implements on 14 July 2022 with the following schedule:

1st Group: (Countries A-K)

08:30 – 10:00 Light training in the Hayward Field
09:00– 10:00 Practice with starters in the Hayward Field

2nd Group: (Countries L-Z)

10:30 – 12:00 Light training in the Hayward Field
11:00– 12:00 Practice with starters in the Hayward Field

Team Leader Orientation at Hayward Field

There will be a visit organized at the competition venue on Thursday, 14 July for the Team Leaders to familiarize themselves with the exact location of the main facilities (TIC, Warm-up Area, Call Room, etc.). The Competition team of the WCH Oregon22 will lead the Tour starting in the Hayward Field TIC at warm-up area according to the following time:

09:00- Orientation Tour (meeting point TIC at warm-up area)

More information, including transport arrangements, will be available on Virtual TIC and at CID.

8.4 EQUIPMENT

All Sports Equipment will be provided by World Athletics Supplier Mondo.

8.4.1 IMPLEMENTS

The approved list of Official Implements that will be used during the WCH Oregon22 can be found in Section 14.2.

The use of personal implements will be allowed under the conditions specified in Technical Rule 32.2 The item must be on the World Athletics list of approved implements and must not be on the list of implements already provided for the competition.

Team Leaders are requested to submit such implements to the Implements Desk at Hayward Field, TIC Warm up area for the necessary checking by 19:00 on the day before the event. In order to speed up the checking in of eligible personal implements, come prepared and consult the World Athletics list on the [Website](#) in advance to identify the implement noting its World Athletics certification number.

If you do not find your implement in the list but you believe that it is/was certified, please contact the World Athletics office at technicalofficer@worldathletics.org so that its status can be checked and confirmed to you and the LOC in due time. These implements will then be available to all other competitors and will remain in competition use until the end of the Final. Teams may then collect their implements from the Implements Office at Hayward Field, from one hour after the end of the Final of the competition, bringing with them the receipt given when they handed the implement in.

If a personal implement cannot be accepted into the pool due to it not meeting the specifications or being unidentifiable, the relevant team will be notified through the TIC and the Implements Desk in TIC, with an explanation, and the implement will be returned.

8.4.2 MARKERS (RUNWAYS) / TAPE MEASURE

No Athlete will be allowed to use his/her own markers or tape measure during the Championships. The Local Organizing Committee will provide each athlete with two markers for Long Jump, Triple Jump, Pole Vault, and Javelin Throw. For High Jump, Athletes will be provided with two adhesive tapes.

Athletes can use a maximum of one marker in the relay events, as per World Athletics Rules. These will be distributed in the Call Room.

For Shot Put, Discus Throw, and Hammer Throw one marker may be used according to Rule 25.3.2.

No chalk powder or pen markers are to be used on any runway.

Athletes who wish to use tape measure must use those provided by the LOC. These are available at the event site. Tape measure will be in cm and inches.

8.4.3 VAULTING POLES

All Team leaders traveling with Pole Vault poles must submit a Vaulting Pole Travel Form, see **Section 14.5.1**, to ensure transportation of poles to training venue. The form must be submitted to LOC by 7 July.

The LOC will take care of the transportation and storage of the poles post arrival at both Portland International Airport (PDX) and Eugene Airport (EUG).

All poles will be initially delivered from the airport directly to Traing Venue LCC. They will then all be delivered to Hayward Field as follows:

- » **After 21:00 on the Evening of 14 & 16 July: Women’s Event**
- » **After 21:00 on the Evening of 21 & 23 July: Men’s Event**
- » **After 21:00 on the Evening of 23 July: Decathlon Event**

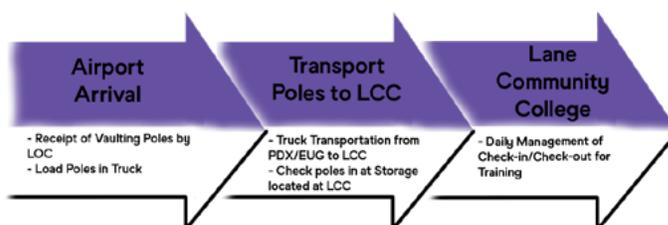

All poles will be taken from the storage at Lane Community College on the day prior to competition day and moved to the Hayward Field. Vaulting poles required by finalists will be returned to Lane Community College Storage Room for training. They

will then be returned to Hayward Field on the evening before the Final. Post competition participation, all poles will be delivered back to Traing Venue LCC and from the Team Leader signing out the poles will be delivered to either Portland International Airport (PDX), or Eugene Airport (EUG), upon departure, unless the Team Leader requests a different arrangement to the LOC.

It is essential that Athletes have labelled their poles/ pole bag with their name, country name and event (Men’s Pole Vault; Women’s Pole Vault; Decathlon).

ATHLETE ENTRIES & QUALIFICATIONS

9.1 AGE CATEGORIES

Under 20 Athletes – Athletes aged 18 or 19 years on 31 December 2022, (i.e. born in 2003 or 2004), may compete in any event except the Marathon and 35km Race Walk.

Under 18 Athletes – Athletes aged 16 or 17 years on 31 December 2022 (born in 2005 or 2006), may compete in any event except the throwing events, the Combined Events, 10,000m, Marathon and the Race Walks.

Athletes younger than 16 – No Athlete younger than 16 years of age on 31 December 2022 (born in 2007 or later) may be entered.

9.2 ENTRY RULES

9.2.1 INDIVIDUAL ATHLETES

Each Member Federation will be allowed to participate with up to a maximum of three qualified Athletes (four in case of a Wild Card) in each event, subject to the below. A fourth (fifth in case of a Wild Card) qualified Athlete can be entered as a reserve.

9.2.2 RELAY TEAMS

Each Member Federation will be allowed to enter one qualified team in each relay event, subject to the below. A total of six Athletes may be entered and these must include the individual Athletes (up to four) entered in the respective individual event (100m and 400m). This does not apply to the Mixed 4x400m.

9.2.3 UNQUALIFIED ATHLETES

Members who have no:

- » male and/or no female Athletes who have achieved the Entry Standard or considered as having achieved the Entry Standard (see below);
- » male and/or no female Athletes who are potentially qualified by World Rankings;
- » qualified relay team;
- » may enter one unqualified male Athlete OR one unqualified female Athlete in one individual event of the Championships (except the Road Events and Field Events [see below], Combined Events, 10,000m and 3000m Steeplechase).

Members whose best Athlete excels in a Field Event or Road Event, may submit to World Athletics the name of their Athlete whom they would like to enter together with their best performance during the qualification period. The Technical Delegates will decide whether or not to accept such an entry and, to do so, may seek the opinion of the relevant Area Association.

If the Host Country does not have an Athlete who has achieved the Entry Standard in an event, or a qualified Relay Team, it may enter one Athlete (or Relay Team) in that event, with the exception of the Combined Events and Field Events where the above will apply. The maximum number of unqualified Athletes by event will be determined by the World Athletics Council in Autumn 2021. In case unqualified entries exceed the maximum allowed number, priority will be given to the Athletes in the best world rankings position as at the closing date for applications – see below.

In all cases the name and event of the unqualified Athlete must be submitted no later than 16 May 2022 for the Marathon and 35km Race Walking and 13 June 2022 for all other events to:

teamservices@worldathletics.org

9.3 QUALIFICATION SYSTEM

9.3.1 QUALIFICATION PERIOD VALID FOR ENTRY STANDARDS AND WORLD RANKINGS

- » For the Marathon and 35km Race Walks: 18 months from 30 November 2020 to midnight 29 May 2022 (regardless of the time zone)
- » For the 10,000m, 20km Race Walks, Relays and Combined Events: 18 months from 27 December 2020 to midnight 26 June 2022 (regardless of the time zone)
- » For all other events: 12 months from 27 June 2021 to midnight 26 June 2022 (regardless of the time zone)

9.3.2 QUALIFICATION IN INDIVIDUAL EVENTS

Athletes can qualify in one of four ways:

1. By achieving the Entry Standard within the qualification period in accordance with the criteria detailed below.
2. By virtue of the Finishing Position at designated competitions as follows (in these cases the Athletes shall also be considered as having achieved the Entry Standard).
 - » The Area Champions in all the individual events (except for the Marathons). However, in the case of 10,000m, 3000mSC, Combined Events, Field Events and Road Events, the entry will be subject to the approval of the Technical Delegates, based on the Athlete's level. The Member Federation of the Area Champion will have the ultimate authority to enter the Athlete or not, based on its own selection criteria. See specific additional conditions below.
 - » The top 10 finishers at the Platinum Label Marathons held during the qualification period.
3. By Wild Card as:
 - » Defending World Champion from 2019
 - » Winner of the 2021
 - Diamond League
 - Continental Tour core events (200m, 3000m steeplechase, Triple Jump, Discus Throw and Hammer Throw)
 - Race Walk Challenge
 - Combined Events Challenge

If two Athletes from the same country would qualify for a Wild Card, only one of the two can be entered with this Wild Card. If a Member Federation has four Athletes in one event as a result of this regulation, all four will be permitted to compete.

4. By virtue of the World Rankings Position achieved at the end of the qualification period according to the respective Event Ranking Rules (and ranking periods). In case of ties, Athletes with the next best Performance Score will prevail.

World Athletics will keep a regularly updated running list of the qualification situation for each event in the lead up to the World Championships, starting in 2022. This will be published on the Stat Zone section of the World Athletics Website.

Individual Athletes Ranking Process

Following the end of the qualification period, based on the target numbers, for each event World Athletics will determine:

- » the number of Athletes having achieved the entry standard (either directly or by finishing position at the selected competitions, including approved Area Champions);
- » the eligible wild cards;
- » the approved unqualified Athletes, including those from the host country;
- » the declined quota places—Member Federations must inform World Athletics of their intention to decline a quota place by the closing date of the qualification period (29 May 2022 for Marathon and 35km Race Walk and 26 June 2022 for the all the other events). Such notification must be sent to events@worldathletics.org by the Member Federation concerned by no later than midnight Monaco time. Quota places declined after the above deadline will NOT be reallocated.
- » the Athletes subsequently qualified by virtue of their World Ranking position to complete the target number in each event—should the target number of Athletes in any event be reached (or surpassed) through entry standards, wild cards and approved unqualified Athletes, no Athletes would qualify by virtue of their World Rankings position.

The list with the Athletes finally eligible for entry will be published on 29 June and no further reallocation of quota places by event will be made.

Member Federations shall select the Athletes for entry from this list and enter all Athletes to WCH Oregon22 by the entry deadline of 4 July 2022.

9.3.2 QUALIFICATION IN RELAY EVENTS

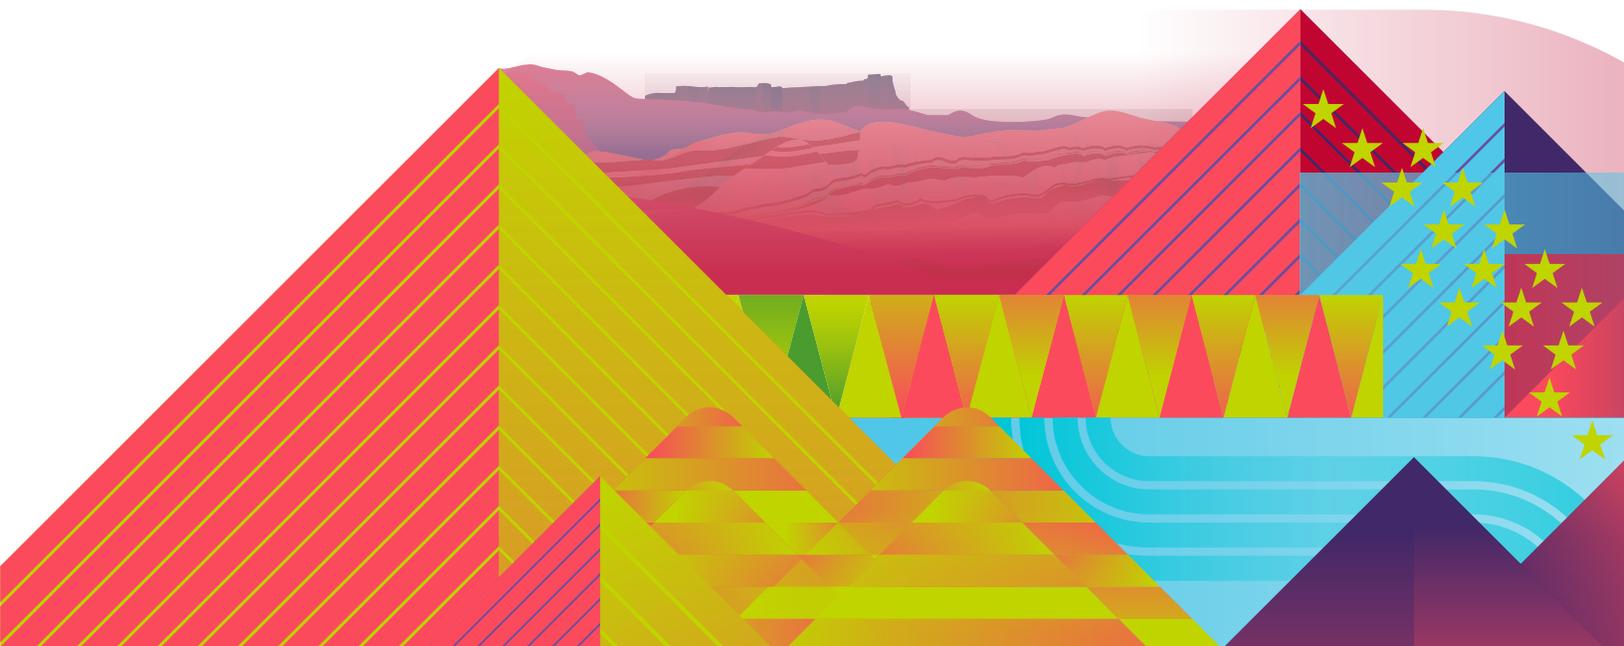

- » Relay Teams can qualify in one of two ways:
 1. First ten (twelve in the Mixed 4x400m) placed teams at the 2021 World Relays.
 2. Be one of the best ranked teams at the end of the qualification period to fill the remaining places (six or four). For the purpose of being ranked, the results of relay races will be valid only on the condition that they are part of a competition staged in compliance with World Athletics Rules and that at least two different international teams, representing at least two countries, compete in the race.

Relays Ranking Process

Following the end of the qualification period and knowing the Relay Teams that have qualified from the 2021 World Relays and those eventually unqualified but entered by the Host Country, World Athletics will identify the teams qualified by virtue of their position in the World Athletics Top Lists (according to the best performances in the whole qualification period). World Athletics will, within 48 hours of the closing of the Qualification Period, notify the Member Federations concerned by email to the official email address (xxx@mf.worldathletics.org) and replies will be expected within 24 hours. Upon refusals, cancellations or no reply, the next eligible relay team will be identified and invited. The invitation process will end on 28 June 2022, midnight Monaco time.

9.6 CONDITION FOR THE VALIDITY OF PERFORMANCE

All performances must be achieved during competitions organized or authorized by World Athletics, its Area Associations or its National Federations and conducted in conformity with World Athletics Rules.

- » For Marathons and Race Walks, World Athletics publishes on its website a list of courses and competitions that comply with the below.

Marathons

Performances for qualifying purposes may only be achieved on a course measured by a World Athletics/ AIMS Grade “A” or “B” International Road Race Course Measurer with the measurement certificate established no more than 5 years before the date of the race.

- » For Entry Standards the overall decrease in elevation between the start and the finish will not exceed 1:1000, i.e. 1m per km.
- » For World Rankings in case of performances achieved on courses with a drop in elevation which exceeds 1:1000, a correction will be made in the result score from which points will be deducted depending on the drop.

The contact email address for any matters related to qualifying marathon courses is alessio.punzi@worldathletics.org.

Race Walks

Performances for qualifying purposes may only be achieved on a course measured by a World Athletics/ AIMS Grade “A” or “B” International Road Race Course Measurer with the measurement certificate established no more than 5 years before the date of the race.

- » A minimum of 3 International or Area Race Walking Judges must be on duty.
- » For International Competitions defined under World Athletics’ Table of Contents- International Competitions Definition – point 1.9 or at National Competitions, Member Federations

concerned must submit a specific application to World Athletics before the race is conducted. Applications submitted for Olympic Games Tokyo 2020 do not need to be submitted again.

The contact email address for any matters related to qualifying race walk competitions is pierceocallaghan@worldathletics.org

Special Conditions for Validity of Performance

- » Performances achieved in mixed competitions in track events will not be accepted. Exceptionally, in accordance with Rule 9 of the World Athletics Technical Rules, performances achieved in events of 5000m and 10,000m may be accepted in circumstances where there were insufficient athletes of one or both genders competing to justify the conduct of separate races and there was no pacing or assistance given by an athlete(s) of one gender to an athlete(s) of the other gender. If applicable, Member Federations must submit a specific request to the World Athletics Competitions department teamservices@worldathletics.org providing the documentation as required.
- » Performances which are wind assisted or for which a wind reading is not available will not be accepted for Entry Standards purposes (but will be valid for the World Rankings with the appropriate adjustments).
- » Hand timing performances in 100m, 200m, 400m, 800m, 110m/100m Hurdles, 400m Hurdles and 4x100m Relay will not be accepted.
- » Indoor performances for all field events and for races of 200m and longer, will be accepted.
- » For the running events of 200m and over (including combined events), performances achieved on oversized tracks will not be accepted.

For the Race Walks

- » Track performances (20,000m, 35,000m or 50,000m) will be accepted;
- » Performances achieved in competitions conducted with the penalty zone rule will be accepted.

For the Combined Events, at least one of these conditions must be met

- » The wind velocity in any individual event will not exceed plus 4 meters per second.
- » The average wind velocity (based on the algebraic sum of the wind velocities, as measured for each individual event, divided by the number of such events) will not exceed plus 2 meters per second.

For the men’s and women’s 5000m, it will be possible for up to two performance scores from the 3000m outdoor (considered a similar event to the 5000m) to count towards an athlete’s World Ranking score (previously it was only one). This will be implemented as a standard World Rankings Rule starting 1/1/2021.

9.7 AREA CHAMPIONS

The following regulations shall apply for Automatic Qualification to the World Athletics World Athletics Championships (not applicable for Relays and Marathon):

1. The Area Champion (in each individual event to be contested at the World Athletics Championships) automatically qualifies for the World Athletics Championships, irrespective of whether his performance has reached the Entry Standard. This does not apply to 10,000m, 3000mSC, Combined Events, Field Events, and Road Events where the entry of the Athlete will be subject to the approval of the Technical Delegates.
2. The Area Champion shall be the one who has achieved the title either in 2021 or 2022.
3. The Member Federation of the Area Champion will have the ultimate authority to enter the Athlete or not, based on its own domestic standard or qualification system.
4. If the Member Federation of the Area Champion enters the athlete, he will be considered as having achieved the Entry Standard.
5. If the Area Champion, for whatever reason, is not entered, their quota will not be delegated to the

second placed Athlete and the normal entry rules and conditions apply.

6. For those Area Championships that do not have certain events, the Area Associations can organize alternate Area-specific event Championships with conditions conforming to Area Championships Regulations. The World Athletics shall be notified of such alternative Championships at least one month in advance of the events’ being held.

14 JULY 2022	Technical Briefing
15 JULY 2022	Start of World Athletics Championships Oregon 2022

9.9 FINAL CONFIRMATION OF ENTRIES

For events held on the first day, Final Confirmation of Entries must be made using Virtual TIC Confirmation tool before 12:00 (noon) on 13 July and, for all subsequent days, before 12:00 (noon) on the day before the event

Failure to Participate - Any Athlete who, after the Final Confirmation has been submitted, or after qualifying during a preliminary round for any event, fails to participate in the event without giving a valid reason (e.g. a medical certificate provided by and based on an examination of the athlete by the Medical Delegate appointed under Competition Rule 6), shall be excluded from participation in all further events in the competition, including Relays, see Technical Rule 4.4.

Withdrawals after Final Confirmation must be submitted, on the official Withdrawal Form, through the Virtual TIC. If the Athlete is entered in another event at the Championships, the reason for the withdrawal must be specified in detail, its acceptance being the responsibility of the Technical Delegates based on the World Athletics Rules.

9.10 ATHLETE AGREEMENT

Each Athlete competing in a World Athletics Series Competition must have signed the Athlete Agreement. Athletes must submit their signed Athlete Agreement electronically. To do so Member Federations must provide the email address of each participating Athlete from their team beforehand. There are two ways to provide the email address of the Athletes, Member Federations can either enter the email addresses of their Athletes through the Family Extranet from immediately or through the EES when confirming final entries, see **Circular M/10/22** on instructions how to enter the email addresses of your Athletes. If on the EES an Athlete is already indicated to have signed their Athlete Agreement electronically then no further action is required. For Athletes who have not signed their agreement electronically, World Athletics will directly email each Athlete to sign their Athlete Agreement.

Please refer to **Circular M/10/22** which contains further information and specific instructions concerning the electronic signature process. Please note that except for Athlete Agreements concerning under 18s paper forms of the Athlete Agreement will no longer be collected on-site.

10

COMPETING
PROCEDURES

10.1 TECHNICAL AND MEDICAL BRIEFING

Technical and Medical Briefing will take place on Thursday, 14 July in Straub Hall for all teams.

A Technical Briefing will take place on Thursday 14 July after each orientation visit at Hayward Field. As usual, no more than two representatives from each participating Member Federation (and in addition an interpreter or attaché if required) may attend the meeting.

Before the Briefing a document containing information on:

- Timetable amendments (if any)
- Qualifying procedures for Track Events
- Qualifying distances and conditions for Field Events
- Starting heights and raising of the bar for vertical jumps
- Specific procedures for the Marathon and Race Walks

Answers to written questions will be distributed via the Virtual TIC and on the Team Leaders Whatsapp group. The World Athletics Technical Delegates will preside over the briefing, which will be conducted in English and will provide updates and new information, which is not already mentioned in the Team Manual or the above document.

The Technical Briefing will include a Medical Briefing for team doctors or physicians. Teams may bring a member of medical staff in addition to the two representatives mentioned above.

Written Questions

Any inquiries concerning the Championships must be made in writing in English. These questions will be answered in the document distributed before the Technical Briefing. The question must be presented using the dedicated form on Virtual TIC (Deadline Wednesday, 13 July 2022 at 18:00).

10.2 ATHLETE TIMETABLE

The timetable may change according to the number of Athletes in each event after Final Entries. Information on any changes to the official timetable will be provided via Virtual TIC and included in the document distributed before the Technical Briefing. Small changes are also possible following Final Confirmations.

10.3 QUALIFYING HEIGHTS, DISTANCES, AND PROGRESSIONS

The qualification procedure for Track Events (number of rounds, number of heats in each round and the method of progression from one round to the next), the Qualifying Standard and conditions for Field Events, as well as the starting heights and the raising of the bar for the Vertical Jumps, will be determined by the Technical Delegates after the closing date for entries. Team Leaders will be informed of the decision via Virtual TIC and information will be included on the document distributed before the Technical Briefing. Starting heights and procedures for the raising of the bar for Vertical Jumps Finals will be announced after the Qualifying Rounds. Full documentation regarding qualification procedures will also be available at the CID Desk in Global Scholars' Hall and Virtual TIC.

10.4 MEN AND WOMEN'S 100M PRELIMINARY ROUND

Prior to the commencement of Round 1 of the Men's and Women's 100m, a Preliminary Round will be conducted for unqualified Athletes. Final Confirmation of Athletes competing in the Preliminary Round will be made at the same time and on the same form as that for Athletes competing in Round 1. Start Lists will be generated in the normal way for those athletes in the Preliminary Round on the basis of the performance information submitted with their entries or subsequently provided by the World Athletics Statisticians (normally Season's Best).

The heats of the Preliminary Round will be conducted separately from the heats of Round 1. Following the Preliminary Round, the Athletes will be ranked in accordance with Technical Rule 20.3. The Seeded List for Round 1 will first list all the qualified Athletes, ranked according to their Season's Best performances. The Athletes who will proceed from the Preliminary Round to Round 1 will be added to the bottom of this list in the order of their ranking following the Preliminary Round, so that the total number of Athletes in Round 1 will be 56.

10.5 ATHLETE BIBS

General

All Athletes will receive four bibs as follows:

- » One bib with the name for the front of the competition vest.
- » One bib with the name for the back of the competition vest.
- » Two other bibs with the name to be used for the tracksuit and/or the bag.
- » The same bibs are to be used by the Athletes, regardless of the number of events in which they compete.

The bibs (and the necessary safety pins) will be distributed to the Team Leaders during the administrative procedure. Bibs which are not collected will be taken to the TIC.

Bibs with the transponder will be distributed at the Call Room (see below).

Bibs must be worn in accordance with World Athletics Rules and must not be cut, folded, or obscured in any way. Failure to comply with the Rules may result in a disqualification or sanction.

Jumping Events

In all jumping events, Athletes can decide to wear only one bib on the front or on the back.

Relays

Athletes must wear their personal bib with the name on the front and the bib with the country code (e.g., United States of America = USA), on the back.

Transponder Timing

Transponder timing will be used for all Track Events and Road Events. For Track Events the bib with transponder will be distributed at the Call Room and is to be attached to the front. For the Marathons and Race Walks the transponders will be attached to the Athlete's shoes and will be distributed at the Gathering Point.

The transponders will be collected immediately after the race in Post Event Control.

Bib for Race Walk

Race Walkers will receive three bibs with both their name and race number printed on them and only one bib number to be worn on the back.

Bib for Combined Events

For the Combined Events, the leading Athlete after each event will be given a special bib with a different background color to be worn on the chest. These bibs will be distributed at the Combined Events Rest Area, managed by the Combined Events Referee.

Special Bibs

The defending World Champion and the current World Leader competing in an individual event will wear a special bib to be worn on the chest.

Hip Numbers

The Athletes competing in Track Events will also be given two adhesive hip numbers in the Call Room before entering the Field of Play. The hip numbers must be secured to both sides of the Athlete's shorts/legs.

10.6 ATHLETE CLOTHING

All national team kit (i.e. whether Member Federations have a national sponsor on their national team kit or not) must be submitted **via the online form**. Please complete the online kit approvals form and remember to upload images/photos of the kit when completing the form. The deadline for Member Federations to complete the kit approvals form by is Monday 06 June 2022. Further information about the approval process was provided in **Circular M/46/21** sent on 03 December 2021. If a Member Federation has already completed for the online form earlier this year and have stated the same kit is to be worn throughout 2022 then no further action is required. Please e-mail kitapprovals@worldathletics.org with any questions.

Please note that where World Athletics approve the kit (including any accessories), it is on the condition and expectation that the Athletes will wear that same approved kit (including any accessories) issued by Member Federations to their Athletes. Member Federations must remind their Athletes that if they wear any other kit (including accessories) (e.g., personal kit) then all logos (including the brand) on that kit may either be taped over or the Athlete may be instructed by any official (not just the call room officials) to remove the accessory or take other action so that the logo(s) on their kit is (are) not visible.

10.7 PERSONAL BELONGINGS

Field event Athletes (including Combined Events) will only be permitted to take a backpack or similar sized bag with them into the competition arena. Combined Events athletes may bring larger bags, but they must be left in the rest area in between events. Athletes are requested not to take with them to the competitions area bulky items or other inappropriate items. Reusable water bottles are permitted to take onto the Field Events

A strict inspection will be made on illegal and prohibited items, which athletes may have in their possession. Radios, CD/MP3 players, mobile phones, cameras, etc. shall not be permitted. Any items that do not conform to World Athletics Technical and/or Marketing & Advertising Rules and Regulations will

be confiscated and/or their branding taped over (this may also include taping branded items in the rest area and/or rechecking back packs before they brought back out into the competition area from the rest area). Confiscated items may be retrieved at the Post Event Area after the event.

10.8 SPIKES

The spikes on Athletes' shoes will be checked (number, shape and size). If they do not comply with World Athletics Rules, the athletes will be asked to change them to the correct size. The following maximum spike lengths will be allowed:

- All events (except for High Jump and Javelin): not more than 7mm (1/4-inch) pyramid.
- High Jump and Javelin: not more than 9mm (3/8-inch).

The synthetic surface of the competition areas at the Hayward Field is BSS2000 (Beynon Sports Surfaces).

10.9 CALL ROOMS

10.9.1 ATHLETES GATHERING TENT

Athlete Gathering Tents are located at the Hayward Field Warm-up Area. They are the marshaling points for Athletes before they are transferred to the Call Room. All Athletes will be required to report to the Athlete Gathering Tent according to the scheduled reporting times and will be identified by their accreditation card and bib. Times will also be announced over the PA system as well as shown on the display in the main Warm-up Area. Call Times will also be displayed in the Hayward Field Warm Up Area. Athletes warming up must make their own way to the Warm-up Gathering Tent to report at the correct time

Athletes will spend very little time in the Gathering Tents, and the only checks made there will be of their accreditation card and bibs, to ensure the correct Athletes are present.

A specific Call Room Schedule will be produced for each session of competition and published on the

10.10 ENTRY ONTO THE FIELD OF PLAY

notice boards in the University Halls, as well as in both the Virtual and physical TIC and at the warm-up areas. This will show the exact times for every event.

Competitors who fail to appear on time at the Athlete Gathering Tent without a valid reason (e.g. a medical certificate delivered by the official doctor of the Championships) shall be excluded from participating in this and all further events in the Championships, including relays.

Team Officials are not allowed to enter the Athlete Gathering Tent or Call Room.

After leaving the Gathering Tent, Athletes will be escorted to the Call Room

Athletes who compete in Combined Events shall report to the Call Room on each of the relevant days of the competition, before the first event of each day. The Athletes' control for the subsequent events will take place in the Combined Events Rest Area before the start of each event.

10.9.2 CALL ROOM

The Call Room is located within Hayward Field internal location and close to Field of Play.

The procedures in the Call Room will be as follows:

- Confirmation of the identification of Athletes by means of their Accreditation Card and bib number.
- Checking of Athletes' uniform.
- Inspection of personal belongings and confiscation of prohibited items.
- Checking for compliance with World Athletics Advertising Regulations.
- Checking of shoe spikes.
- Accreditation Cards for competing Athletes will be collected at the Call Room and returned upon the completion of their respective events at the Post Event Area, along with any confiscated items.

Team Leaders must ensure that all their Athletes comply with the above before entering the Call Room. After completion of these procedures, Athletes must follow the instructions given by the officials at the Call Room before being taken onto the Field of Play.

All Athletes will enter the Field of Play escorted by competition officials. During an event, no Athlete may leave the competition area without the permission from the Chief Judge. In cases where an Athlete must leave the Field of Play, an official must escort the Athlete.

10.11 SPECIFIC EVENT PROCEDURES

10.11.1 TRACK EVENTS

The starter's commands will be given in English. Up to and including 400m, the following commands will be used:

1. "On your marks"
2. "Set"
3. Firing of the gun

For races 800m and over, the following commands will be used:

1. "On your marks"
2. Firing of the gun

Lanes 1-8 will be used for all events which start in lanes when there are fewer than nine Athletes.

10.11.2 RELAY RACES

In the Mixed 4x400m Relay, the order in which all of the teams shall run in all rounds will be Man-Woman-Man-Woman and the number of substitutes is limited to a single athlete

10.11.3 FIELD EVENTS

Twelve Athletes will normally compete in the Final of all Field Events. In Horizontal Jumps and Throws, the competing order for the fourth and fifth rounds of trials will be in reverse ranking order recorded after the first three rounds of trials. A further re-ranking will take place after the fifth round, so that Athletes compete in reverse ranking order in the final round of trials.

10.11.4 POLE VAULT

An Athlete shall, before the competition starts, inform the appropriate official of the position of the uprights he/she requires for his/her first trial and this position shall be recorded. If subsequently an Athlete wants to make any changes, he/she should immediately inform the appropriate official before the uprights have been set in accordance with his/her initial wishes, otherwise the time for his/her attempt will continue to run.

10.11.5 COACHING ZONES

Coaching Zones are in a different format than prior Championships. Dedicated seating will be provided for Field Event Coaches on the concourse close to the event site. Due to the restrictions in space of Hayward Field tribunes, no only 2 seats at Field of Play level will be available for each event for Coaches. This means that the coaches will follow the competition from the nearest nearer concourse and will be invited by dedicated officials to stand in the aisle close to the event site use one of the two reserved seats for the time of the attempt of their Athlete. Coaches must vacate the allocated spaces immediately after their athlete's attempt. The area seats will be accessible by means of a specific pass, one per Athlete, distributed through the TIC once the start lists are issued. Coaches must vacate the allocated spaces immediately after the conclusion of the event. See Section 14.4.5 for by discipline allocation.

10.12 TIMING AND MEASUREMENT

Official timing and measurement will be provided by Seiko.

Transponder timing will be used for all Track Events for intermediate times and to assist with lap counting. For all these events, the front bib (with the transponder) will be handed out at the Call Room. A final test of the transponders will be done with control mats as the Athletes leave the Call Room. Immediately after the race, the bibs with the transponders will be collected at the Post Event Area. More details will be included in the documents distributed before the Technical Briefing.

Official timing for the Road Events: **see Section 10.14**, Marathon and Race Walk competition procedures for more details.

Video Distance Measurement (VDM) will be used

as the official measurement to determine results in Horizontal Jumps and Shot Put and Electronic Distance Measurement (EDM) will be used in the Long Throws.

10.13 POST COMPETITION PROCEDURES

10.13.1 GENERAL

At the conclusion of each event, all Athletes must leave the Field of Play (FOP) via the Broadcast Mixed Zone before proceeding to the Media Mixed Zone. In the Mixed Zone, the media (Broadcasters, Written Press, Radio Reporters and LOC Flash Interview team) may conduct short interviews. After passing through the Mixed Zone, athletes move on to the Post Event Area where they will be able to recover and collect their clothing and any confiscated items. In case of a Medal Ceremony, press conference or doping control, the Athletes concerned will be escorted to the relevant area.

Exit Procedures from the FOP

- » Track Events: immediately after the finish.
- » Field Events: at the end of the rounds (in Qualifications) or at the end of the competition (in the Final).
- » High Jump and Pole Vault: competitors may leave the field of play via the Mixed Zone accompanied by a steward as soon as they are excluded from further participation in the competition except for medalists, who shall leave together.
- » Combined Events: at the end of each event (see above for the PV and HJ events).

Once an Athlete has left the Mixed Zone, they may not return.

10.13.2 POST EVENT AREA

Athletes selected for doping control will be informed after the Mixed Zone. A Doping Chaperone will be appointed to each selected Athlete and will accompany the Athlete until they access the Doping Control Station (DCS). Teams will each receive a number of passes to access to the Team Meeting Point, just before the Post Event Area. Here, they will meet their Athlete, who will inform them if they have been called for testing, and from which point they can accompany their Athlete to the Doping Station.

Those Athletes who are not being tested or who are not involved in the awards presentations can return to

10.14 ROAD EVENTS

10.14.1 MARATHON

the Warm-up Area, proceed to the Teams' Stands or leave the stadium. Award winners will be escorted to the Award Ceremonies waiting area.

Athletes who may also be selected for Shoe Control will be informed after the Mixed Zone. They must always keep their shoes with them and cannot give their shoes to any person including any Team Official. Athletes may inform their Team at the Team Meeting Point if they have been called to have their shoes identified at shoe control and may be accompanied by a Team Official. It is possible that an Athlete's shoes are collected for further investigation or examination so they must be prepared and arrange to have a more than one pair of shoes. Where the Athlete only has one pair of shoes and must compete later or on another day the Shoe Control Officer will advise the Athlete of the process.

Those Athletes who are not being tested or having their shoes checked or who are not involved in the awards presentations can return to the Warm-up Area, proceed to the Teams' Stands or leave the stadium. Award winners will be escorted to the Award Ceremonies waiting area.

10.13.3 INTERVIEWS

Flash interviews with TV Radio and LOC Flash Interview Team will be conducted immediately after each event in the Mixed Zone, followed by short interviews with the written press.

Mixed Zone at Athlete Shuttle bus Drop off - HWF (Gate E)

A small Mixed Zone will operate at the Team Shuttle Drop off for flash interviews with athletes as they arrive for competition. Standard Mixed Zone rules apply in this new Mixed Zone area.

Press Conferences

Press conferences will be conducted with all medalists on the same day of the event. Whenever possible, the formal press conference will take place before doping control and whenever possible before medal presentations. Flash interviews in the Mixed Zone and formal press conferences take priority over all other interview requests.

The Marathon Start / Finish area is at Autzen Complex, on Martin Luther King Jr. Blvd. Pre and post competition procedures will take place in the Moshofsky Center. The TIC for the Marathon will also be temporarily located here on the days of competition.

Shuttle buses will be provided from the Athlete Village to Autzen Complex.

The Course

The start and finish line of the Marathon is in front of Autzen Complex. The course is 3 laps of 14 km each.

The shortest possible route of the Marathon will be indicated on the road surface with a colored line.

Start

Athletes will be called to report to the Call Room 30 minutes before the start time of each Marathon. The normal checks on clothing will take place and the Athletes will then jog to the start area, where they will be able to continue to warm up.

The time remaining until the start will be displayed for athletes at five minutes, three minutes and one minute before the race begins.

Officials will line up the Athletes selected to start in the first row, after which all other athletes may line up without any pre-set order.

Timing

The transponders will be used to obtain official finishing times. They will be distributed at the Gathering Point and a final test of the transponders will be done with control mats as the athletes leave the Call Room.

Immediately after the race, the transponders will be collected in the Post Event Area. Athletes who do not finish the race must return their transponder to the Post Event Area (or to a Competition Official if this is impractical).

Every five kilometers will be marked along the route and the current race time will be displayed on the lead vehicle at the head of the race, with additional display clocks placed every five kilometers (and half-Marathon point) throughout the course, where intermediate times will be recorded.

Retiring from the Race

Due to the Marathon being a multiple loop course, three Athlete drop-out areas will be available. During the first two laps any Athletes unable to complete the race, or who have been disqualified, will be taken to one of these areas and driven to the Post Event Area. Should an athlete be unable to continue the race due to physical difficulties, they must inform the nearest Competition Official indicating that they would like to abandon the race. To properly indicate the intention to retire from the race, the Athlete is asked to remove their bib.

On the final lap, a sweep vehicle will follow the last athlete in the race to pick up any Athletes who are unable to complete the race or who have been disqualified. This vehicle will follow the race route to the finish, where athletes will be dropped at Post Event Area.

Water/Sponging and Personal Refreshment Stations

There are two Water Stations and two Personal Refreshment Stations on the course. Athletes will pass these on each of the laps, meaning there are four opportunities to take on fluids per lap should they require. These stations are approximately 2.5km apart.

At the end of each Water Station, sponges will be available for Athletes. The Personal Refreshment Stations will also hold water on the last table.

There will be signs placed 100m before each station.

Should an Athlete take refreshment from a place other than the officially designated Water or Personal Refreshment Stations, he/she may be liable to disqualification.

Water/Sponging Stations

At the Water/Sponging Stations the LOC will provide the following:

- » Non-refrigerated still water in sealed bottles
- » Wet sponges

It is a requirement that the runners pick up their sponges/drinks themselves from the tables.

Personal Refreshment Stations

Each team will have its own table which will be marked with their national flag and the World Athletics Member Federation Code (e.g. United States of America = USA). The tables will be arranged in alphabetical order according to this code.

Personal refreshments must be taken to the Personal Refreshment Stations directly by Team Officials. Transport will be available to each refreshment station, leaving the start area 60 minutes prior to the start of each Marathon.

For those Athletes who do not have any Team Officials to assist them, bottles should be handed in to the TIC at in Moshofsky Center at least 80 minutes before the race start time. The bottles will be placed on the table by LOC Officials according to the indications on the bottles. The Athletes must pick up the bottles themselves.

The LOC will provide bottles for personal refreshments and adhesive labels. These will be distributed through the CID in the Athlete Village. The Athletes will also be able to use their own bottles provided that they comply with current World Athletics Advertising Regulations.

It is important that all personal refreshments clearly display the following information:

- » Athlete's name
- » Three-letter Member Federation Code
- » Refreshment station at which the refreshment is to be placed

All Athletes will be responsible for the identification of their bottles.

After bottles have been brought to the refreshment station, the Judges will inspect them with regard to the World Athletics Advertising Regulations. Any confiscated bottles will be returned to Team Officials.

Team Officials will be permitted to hand their athletes the personal refreshments at the Personal Refreshment Stations but are not permitted to leave the designated area to follow the Athletes on the course. Two officials from each team will have access to each of the refreshment stations. The Team Officials will be required to have special passes to access the stations. These passes will be handed to the Team Leader during the administrative procedure.

Toilets will be available at the end of each of the Water Stations and Personal Refreshment Stations.

Marathon Course Familiarization

There will be no guided tour of the Marathon course. A video of the Marathon course will be shared with the teams.

10.14.2 RACE WALK

Autzen Complex will also host the 35km and 20km Race Walks for both genders.

Pre and post competition procedures will take place in the same area. The key events area including Team Tents, changing, Medical, Massage, Call Room and TIC will also be located in the Moshofsky Center.

Shuttle buses will be provided from the Athlete Village to Autzen Complex.

The Course

The start and finish for the Race Walks will be in front of Autzen Stadium. The course is a 1km loop for both the 35km and the 20km in an anti-clockwise direction

Start

The Call Room will be in Moshofsky Center and Athletes will be called to report 30 minutes before the start time of each Race Walk. The normal checks on clothing will take place and the Athletes will then be escorted to the start area, where they will be able to continue to warm up.

The time remaining until the start will be displayed for athletes at five minutes, three minutes and one minute before the race begins.

Officials will line up the Athletes selected to start in the first row, after which all other athletes may line up without any pre-set order.

Timing

All Athletes will be given their transponder, which they must attach to their shoes, at the Gathering Point. A final test of the transponders will be done with control mats as the Athletes leave the Call Room. It is important that the transponder is securely attached to ensure accurate time keeping.

Immediately after the race, the transponders will be collected in Post Event Area. Athletes who do not finish the race must return their transponder to Post Event Area (or to a Competition Official if this is impractical).

Intermediate times will be displayed at every kilometer and, to help Athletes keep track of the laps completed, there will be a lap counter set up at the end of each lap showing the number of laps remaining.

Retiring from the Race

Should an Athlete be unable to continue the race due to physical difficulties, they must inform the nearest Competition Official, indicating that they would like to abandon the race. To properly indicate the intention to retire from the race, the Athlete is asked to remove his or her bib.

Disqualification

Should the Chief Judge or a Chief Judge's Assistant inform an Athlete of their disqualification, the disqualified Athlete is required to leave the course immediately, removing their bib and transponder, and to return directly to the Post Event Area.

Race Walking events will be conducted using the pit lane rule (World Athletics Rule 54.7.3).

Electronic posting boards showing the red cards and disqualifications will be placed beside the course.

Water/Sponging and Personal Refreshment Stations

There will be one Drinking/Sponging Station and one Personal Refreshment Station. There will be signs placed 100m before each station.

Should an Athlete take refreshment from a place other than the officially designated Water or Personal Refreshment Stations, he/she may be liable to disqualification.

Water/Sponging Stations

At the Water/Sponging Stations the LOC will provide the following:

- » Non-refrigerated still water in sealed bottles
- » Wet sponges

It is a requirement that the runners pick up their sponges/drinks themselves from the tables.

10.15 PROTEST AND APPEALS

Protests and Appeals will be handled according to Rule 8 of the Technical Rules. Protests and appeals have to be submitted via the Virtual TIC and be handled by the TIC at Hayward Field.

10.15.1 PROTESTS

Protests concerning the result or conduct of an event shall be made within 30 minutes of the official announcement of the result of that event. The Organizing Committee of the competition shall be responsible for ensuring that the time of the announcement of all results is recorded.

Any protest shall be made verbally to the referee, by an Athlete, by someone acting on his/her behalf or by an official representative of a team. Such person or team may protest only if they are competing in the same round of the event to which the protest (or

subsequent appeal) relates. To arrive at a fair decision, the referee should consider any available evidence which they think is necessary, including a film or picture produced by an official video recorder, or any other available video evidence. The referee may decide on the protest or may refer the matter to the jury.

If the referee makes a decision, there shall be a right of appeal to the jury. Where the referee is not accessible or available, the protest should be made to them through the TIC.

10.15.2 APPEALS

An appeal to the Jury of Appeal must be made within 30 minutes:

- a. of the official announcement of the amended result of an event arising from the decision made by the referee; or
- b. of the advice being given to those making the protest, where there is no amendment of any result.

It shall be in writing, signed by a responsible official on behalf of the athlete or team. In case of appeals lost, the USD \$100 fee will be deducted by World Athletics from the Member Federation's account.

Note: The relevant referee shall, after their decision on a protest, immediately inform the TIC of the time of the decision. If the referee was unable to communicate this verbally to the relevant team(s) / Athlete(s), the official time of the announcement will be that of the posting of the amended results or of the decision at the TIC.

11.3.1 PHYSIOTHERAPY SERVICES

There will be limited availability for team medical staff at Athletes' Medical Areas of the Athlete Village for teams to set up their own massage beds. Teams should strongly consider booking extra rooms for this purpose. LOC physiotherapy and sport massage services will be available at these two clinics (Hayward Field and Autzen Complex) as described in the Medical Section, with bookable spaces within the Resident Halls.

Reservations for this should be made via the CID in Global Scholars Hall.

11.4 TEAM PHYSICIANS MEETING

A briefing for all team physicians will be held on 14 July 2022 as part of the Technical Meeting at Straub Hall. This meeting will outline the locations of the Venue Medical Centers and the medical pathways and procedures for the WCH Oregon22. More information will be provided through the TIC and Team Hospitality Services.

11.5 MEDICAL DELEGATE AND PROCEDURES DURING COMPETITION

The World Athletics Medical Delegate, Dr. Stéphane Bermon, or his appointed representative, is exclusively responsible for every kind of special clarification, notification of change for a relay, removal of an Athlete from a competition, or exceptional permission for accredited team doctors and team physiotherapists to enter the restricted competition or other areas.

In the event of an Athlete injury or illness during competition resulting in withdrawal from the event, a medical certificate must be requested from the official LOC medical service or Team Physician and presented to the TIC. These certificates will be attested by the World Athletics Medical Delegate, or his appointed representative in his absence.

11.6 MEDICAL INSURANCE

LOC requires all Member Federations to provide evidence that all accredited Athletes and Team Officials with comprehensive travel medical insurance to cover emergencies, illnesses, and acute injuries. This medical insurance can be organized through the World Athletics Office or individually. **Please refer to Circular M/07/22 for detailed information.**

PLEASE NOTE:

As stated above any costs incurred through additional medical care at any medical institutions or hospitals other than the First Aid on-site medical facilities must be paid per the policies of that healthcare facility by either the respective patients or a Team Official.

11.7 VACCINATIONS

Vaccination information for all those accredited for the event were previously distributed in the circular. This includes satisfying vaccination requirements for entering the United States. People must be fully vaccinated with a WHO approved vaccine.

For other information about vaccines and proof of vaccination see [this link](#). We continue to support people's choice to practice healthy habits of hand washing, social distancing, and masking.

11.8 MEDICAL IMPORTATION

For special athletics events, any foods, medications, or devices which are being brought into the U.S. for an individual Athlete or team use should be held under the supervision of the team physician or trainer. The amounts of both foods and medications should be commensurate with the duration of the stay. An inventory of the food items and medications being entered should prevent any undue delays when the team or Athletes arrive. Fans, family members, and non-participants are not restricted in bringing in familiar food items or medications for personal use. This would also apply to individual athletes or participants who may be travelling alone. However, it may be advisable to have a prescription or letter from a physician accompany necessary medications.

Should you have port-specific questions related to your arrival, you can access contact information for specific ports of entry at [this link](#).

Cascade Mountains

11.9 ICE DISTRIBUTION

Ice will be provided every day to only Athletes by the LOC at the competition, athlete village and training venues.

11.10 WEATHER

The climate in Eugene during July can be summarized as warm and dry.

July is in the summer in Eugene and is typically the second-warmest month of the year. Daytime maximum temperatures begins with a brisk early morning around 13 °C (55 °F) and will begin to warm up to around 27 °C (80 °F) during the mid-afternoon and stays till late evening. Therefore, heat acclimation or acclimatization and proper hydration plan are recommended especially for endurance athletes.

On average, July is the driest month of the year in Eugene with around 13mm of rain making it a dry time to visit. This rainfall is typically spread over 3 days, although this may vary considerably.

July is the month with the highest UV index, with an average maximum UV index of 6. The sun's UV radiation is most powerful between 10 a.m. and 4 p.m. On bright days, sunglasses that block both UVA and UVB rays should be worn, and a wide brim hat could be helpful in limiting direct exposure to the sun.

As Eugene can be very hot and dry, the allergies and pollen count tends to give a short reprieve for

pan-pollen allergy patients. Those who are allergic to tree, grass, and weed pollens, please see a doctor for solutions while at the Championships.

Date	Highest Avg. Temperature	Lowest Avg. Temperature
12 July	29 °C (84°F)	14°C (57°F)
13 July	29 °C (85°F)	13°C (56°F)
14 July	30 °C (86°F)	13°C (56°F)
15 July	28 °C (83°F)	13°C (55°F)
16 July	29 °C (85°F)	12°C (54°F)
17 July	32 °C (89°F)	13°C (55°F)
18 July	30 °C (87°F)	13°C (55°F)

22 July	32 °C (89°F)	13°C (55°F)
23 July	32 °C (89°F)	13°C (56°F)
24 July	32 °C (90°F)	13°C (56°F)

11.11 FOOD AND WATER SAFETY

11.11.1 FOOD

The quality and variety of food offered in grocery stores, restaurants, and at the University of Oregon meet the highest international standards. However, it is advisable to take precautionary measures when travelling. Gastro-intestinal symptoms may be due to unfamiliarity with the environment, water, the choice and preparation of food. The normal travel guidelines to avoid food poisoning should apply; eat only food that is fully cooked and served hot, avoid unwashed or peeled raw fruits and vegetables.

The LOC will provide oversight to appropriate on-site nutrition for all the Athletes' halls prior to the event. The local health authority will conduct regular quality controls at Athletes' Village and competition/training venues. Measures will include regular food safety and hygiene audits before and during the event.

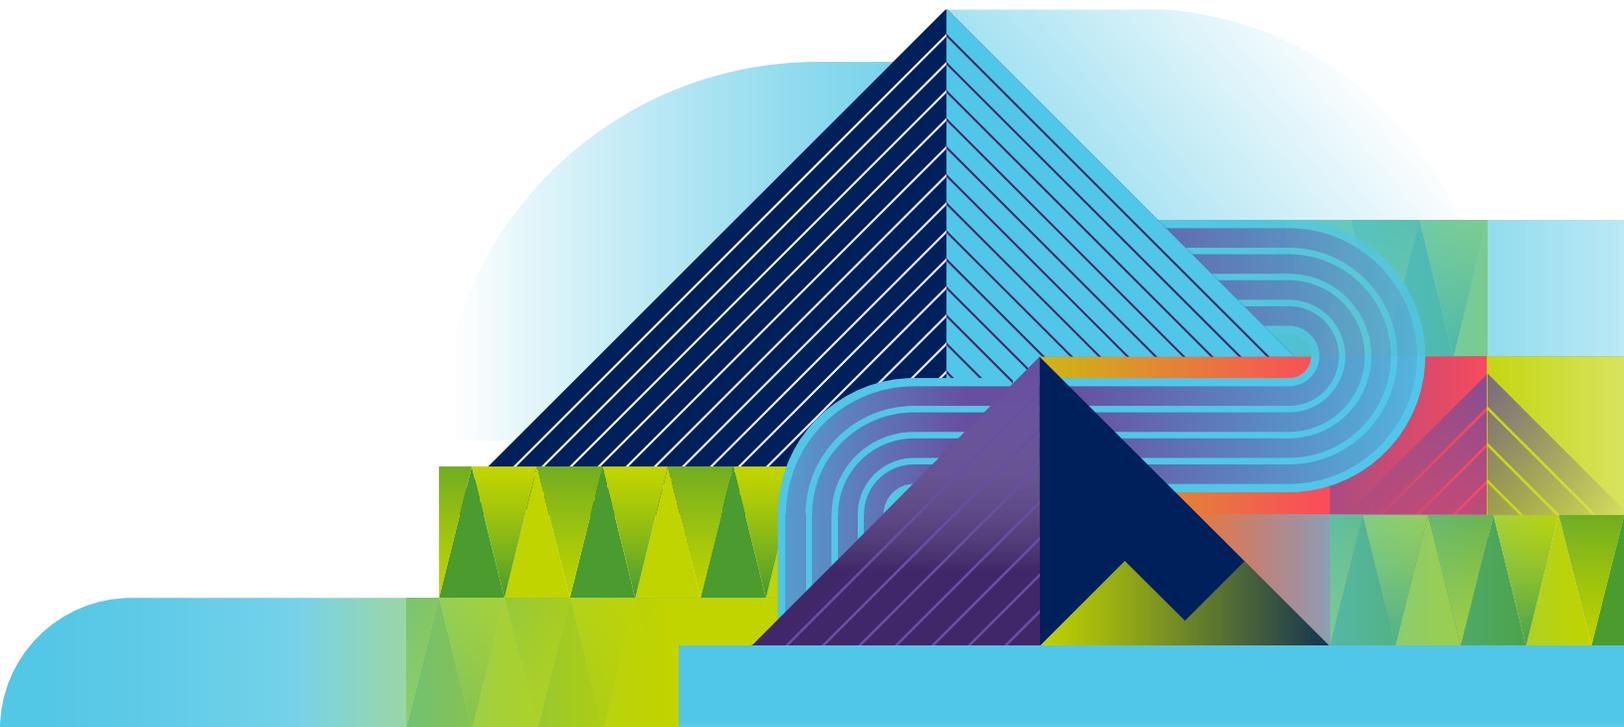

The food served within the Athletes' Village will have appropriate labeling to comply with specific dietary, allergic, and religious requirements. All menus will be checked by dietitians prior to serving to Athletes and Team Officials.

11.11.2 WATER

All tap water in Oregon is completely safe for drinking and all other uses like cooking, bathing, and brushing your teeth. Eugene, Oregon, boasts some of the highest quality and best-tasting drinking water in the world. Sourced from the pristine McKenzie River, the water originates from Clear Lake located in the Cascade Mountain Range. The water flows 85 miles to the Hayden Bridge filtration plant where it is filtered, treated, and tested before arriving at the tap.

In order to eliminate the use of single-use plastic water bottles, refillable water bottles will be provided, and ample water refilling stations will be available on the University of Oregon campus and adjoining areas. Water testing is conducted regularly to ensure quality and safety.

Located throughout the Athletes' Village and Venues will be refillable stations for the reusable bottles.

**SUPPLEMENTAL
INFORMATION**

13.1 SUSTAINABILITY

One of the strategic initiatives for the WCH Oregon22 is to drive change, and part of that work is developing and executing a strong sustainability strategy that builds on the practices for which the state of Oregon is known.

With support from an Oregon-based non-profit organization, **BRING**, this event is seeking certification by the **Council for Responsible Sport**. Responsible Sport certification is based in five categories or “pillars” of establishing a more socially and environmentally responsible event.

Planning and Communication

Planning for WCH Oregon22 included soliciting feedback and encouraging engagement from interested parties from across the community and state. The LOC has worked extensively with elected officials, local and state governments, the University of Oregon, and dozens of community groups and citizens. These discussions influenced the social and environmental initiatives pursued by the LOC.

Procurement

WCH Oregon22 developed policies that support a sustainable materials management framework, or one that looks at the lifecycle impacts of materials and prioritizes those that prevent waste and toxics rather than emphasizing recycling alone. Environmentally preferred materials include those that are organic, reusable, and recyclable or compostable and sourced locally.

Merchandise that is available for sale has been produced or manufactured in facilities that meet ISO certifications 9001 and 4500. These certifications address management systems including supply chain, and occupational health and safety.

Resource Management

WCH Oregon22 has a comprehensive resource management plan that seeks to reduce the environmental impacts of the event. Initiatives include the use of 100% renewable energy to power the event venues. Vehicles and power generating equipment used in operations will utilize low carbon fuels such as renewable diesel, biodiesel, and ethanol.

Waste generated at the event will be tracked and measured, edible food will be donated to local food banks, food waste will be composted, and paper food service ware will be sent to an advanced fiber processing facility to be recycled into cardboard boxes.

To reduce the use of single use plastics, the LOC will provide refillable water bottles and access to free refilling stations throughout the venue. Water use will be tracked and measured.

Access and Equity

WCH Oregon22’s efforts to drive change includes creating an event that supports access and equity for all. Initiatives developed by the LOC include programming that features Women in Sport, trainings for LOC staff and volunteers in cultural humility, and Justice, Equity, Diversity and Inclusion. On-site event activations will be offered by **RISE**, a U.S. based organization that educates and empowers the sports community to eliminate racial discrimination, champion social justice, and improve race relations.

Community Legacy

WCH Oregon22 will have a lasting impact on the University of Oregon, City of Eugene, and the State of Oregon. Legacy projects throughout Oregon have been developed in honor of this historic event and include the [20 X 21 Mural Project](#), the planting of over 2000 sequoia trees, and the development of the [Oregon22 Heritage Trail](#). Furthermore, any clothing or gear items left behind after the conclusion of the event will be redistributed to track and field programs statewide through a local nonprofit, the Endless Mileage Project.

13.2 ANTI-DOPING AND EDUCATION OUTREACH PROGRAM

Sample Collection at the World Athletics Championships Oregon22 will be conducted in partnership with the United States Anti-Doping Agency under the direction of the Local Organizing Committee of the WCH Oregon22. The program will be overseen by the WA Anti-Doping Delegate to ensure full compliance with World Athletics Anti-Doping Rules and Regulations.

The Sample Collection Program will consist of both pre- and in-Competition testing carried out from the arrival of the first Team until the end of the championships. There will be a pre-competition Doping Control Station in Matthew Knight Arena.

Athletes will be selected for testing through a combination of random and intelligence led methods and will be notified of their selection by trained and accredited officers. The Team Leader/Team Official will be required to assist in informing, notifying and, when necessary, accompanying the Athletes to the Sample Collection Station.

At the time of notification, the officer will show the athlete their accreditation and advise them which type of sample (blood, urine or both) they will be asked to provide. They will then chaperone the Athlete to the Sample Collection Station where the sample will be collected. The Athlete will be required to show official photographic identification (e.g. WCH Oregon22 accreditation card) before providing the sample so should ensure that they are carrying this at all times.

An Athlete breaking or equaling a World Record (including World Junior Record) will be required to undergo Sample Collection as a condition of validation of the World Record.

A dedicated Doping Control Station will be available in Matthew Knight Arena for doping controls required for the validation of Area or National Records. The test

will be done on a fee-payable basis at the request of a Team Official. In this case, the application procedure will have to be completed at the TIC, through the Online TIC platform, or at the doping control station at the University.

Athletes are held to strict liability for anything ingested via mouth, eyes, nose, ears, or even through the skin. So, Athletes will need to check the permitted or prohibited status of all substances prior to use. Athletes who need to use substances or methods contained in the list of 'Prohibited Substances or Methods,' for therapeutic purposes must comply with the World Athletics Anti-Doping Rules and Regulations and ensure that they have the appropriate authorization in accordance with the Therapeutic Use Exemption (TUE) application process.

The Athletics Integrity Unit (AIU) in partnership with the United States Anti-Doping Agency will set up education outreach stations — Athletics Integrity Hub — in Matthew Knight Arena and Hayward Field. Athletes and their support personnel are encouraged to visit the stations and interact with the Outreach Team, where they can learn about all the issues that impact the integrity of the sport and could prove harmful for the careers of the Athletes and the support personnel alike such as doping, manipulation of competition, illegal betting etc. Participants will be able to take part in interactive quizzes, surveys, showcase their support for clean sport by signing the Athletes' Integrity Pledge. They can also take the opportunity to ask or enquire about any issue of concern to the AIU team onsite.

13.3 MUSEUM OF WORLD ATHLETICS (MOWA) HERITAGE EXHIBITION

While you are staying in Oregon, please come and visit the two Museum of World Athletics (MOWA) Track & Field Heritage Exhibitions.

One exhibit is in the EMU Building at the University of Oregon, Eugene, where you are staying during the championships, and has been open since 23 June.

The second display is in the Pioneer Place shopping mall in Portland and was launched on 6 April.

60 ATHLETES, 25 COUNTRIES, 6 AREAS

The two displays feature track and field exhibits from 1908 to the present day. Singlets, running shoes, equipment and trophies from more than 60 all-time greats of track and field athletics, representing more than 25 countries across all 6 continental areas, are featured.

The world and Olympic champions and world record-breakers represented by artifacts include Paavo Nurmi, Jesse Owens, Fanny Blankers-Koen, Emil Zatopek, Adhemar Da Silva, Herb Elliott, Irena Szewinska, Carl Lewis, Grete Waitz, Michael Johnson, Marie-Jose Perec, Gail Devers, Haile Gebrselassie, Cathy Freeman, Maria Mutola, Jan Zelezny, Robert Korzeniowski, Carolina Klufft, Allyson Felix, Usain Bolt, Valerie Adams, Ashton Eaton, Christian Taylor, Anita Wlodarczyk, Mutaz Barshim and Eliud Kipchoge.

But they represent just a small fraction of the World Athletics Heritage Collection that is on permanent display on MOWA's online platform in glorious 360° 3D.

MOWA is the first 3D virtual sports museum in the world. MOWA offers a tour through track and field athletics' incredible history. Hundreds of exhibits, and thousands of photos and videos can be discovered in its 4 galleries with text in English, French, and Spanish. The MOWA Track & Field Heritage Exhibitions in Eugene and Portland are open every day until the end of the WCH Oregon22 on 24 July 2022.

13.5 TICKETING

World Athletics would like to remind its Members that it is not possible for World Athletics to provide either additional accreditations or tickets to Member Federations for guests or sponsors.

WCH Oregon22 is providing an exclusive ticketing offer, enabling Members to purchase best-available seats on behalf of national Athletes, Athletes' families and friends, and coaches. Due to limited availability, this will be the only way to guarantee stadium entry for coaches, family and friends to be in the stadium to support their Athletes.

As indicated in the Team Leaders Site Visit information distributed in November, Member Federations had until 4 February 2022, at 17:00 (USA Pacific time), to purchase tickets in advance of the public on-sale date. This gave your friends and families the opportunity to choose from seats in premium locations before anyone else. After this time, any remaining seats have been released for public sale. Viewing and purchasing instructions are as follows.

- » Click [HERE](#) to visit our Ticketing page, where you'll see all sessions on the landing page
- » Select the session for which you'd like to purchase tickets, and ensure that the code "OR22TEAMOFFER" is represented in the top of the screen where it says "Promo Code"
- » Select the seats you wish to purchase, and press continue
- » Follow the checkout procedures to buy the tickets in your cart, all of which must be paid by credit card. (Note: you will need to sign in or create your Ticketmaster account at the time of purchase, using the physical address and country that relates to your credit card billing address)

If you have any questions, please do not hesitate to contact the WCH Oregon22 Ticket office at tickets@worldchampsoregon22.com, or call +1 (541) 346-4461.

13.6 WORLD ATHLETICS ATHLETES' COMMISSION ELECTIONS

Elections will be held in Eugene at the time of the World Athletics Championships to renew six (6) member positions on the Athletes' Commission.

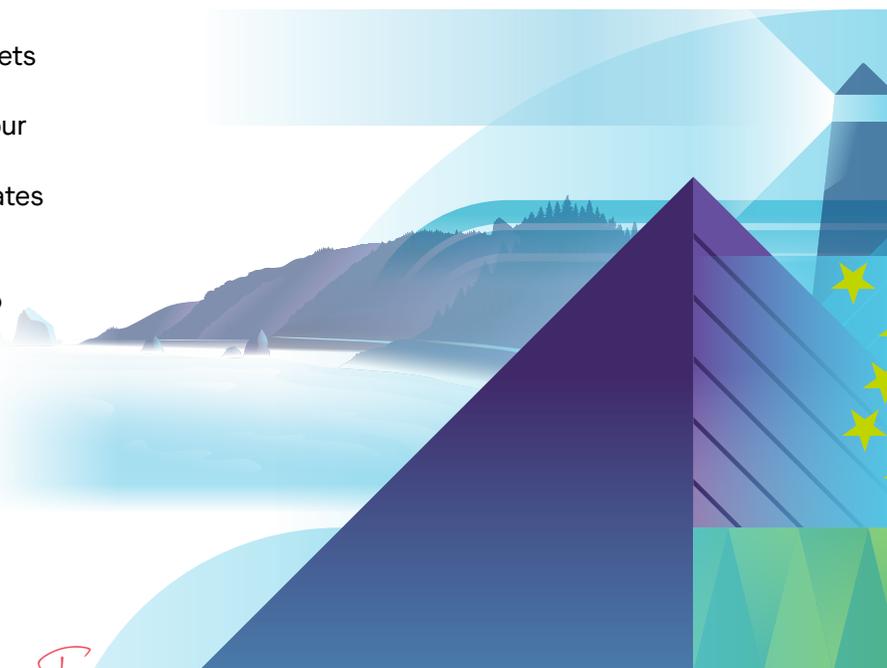

The Athletes' Commission is part of World Athletics' decision-making process.

It advises the Council on the Athletes' perspective(s) and serves as a link between the athletes and World Athletics.

Since 2019, the Chairperson and one other member of the Athletes' Commission are full voting members of the World Athletics Council. The Athletes currently holding these positions on the Council are Renaud Lavillenie (FRA, as Chair) and Dame Valerie Adams (NZL, as Deputy Chair).

All accredited Athletes at the WCH Oregon22 have the right to vote.

We rely on the Member Federations to urge their Athletes to support this election, which will take place from 15 to 20 July from 11:00 until 14:00 at the designated Voting Centers on Campus.
