1. Introduction

- 1.1 These Athletes' Representatives Regulations (AR Regulations) are made pursuant to the Athletes' Representatives Rules concerning Athletes' Representatives. - 1.2 The purposes of these AR Regulations are:
- 1.2.1 to protect the personal interests of Athletes and the general interests and reputation of Athletics as a whole;
 - 1.2.2 to ensure that ARs in Athletics are held to the highest possible ethical and professional standards;

Issuing the Authorisation

- 6.1 If the Applicant successfully passes the written examination, the relevant Member shall require the Applicant:
- 6.1.1 to pay any applicable administration fee which must be reasonable in amount and must be approved in advance by World Athletics; and
 - 6.1.2 to provide appropriate proof that the Applicant holds professional liability insurance in their own name for the period of the Authorisation with a recognised insurance company, preferably one based in the Country of which he is a Citizen, Resident or otherwise carries out their business. The insurance shall adequately cover any risks that may arise from an AR's activity and also cover any damages that may be incurred after the termination of an AR's activity but that were caused by such activity. It is the responsibility of the Member issuing the authorisation to check that the liability insurance complies with these requirements.
- 6.2 Once the above requirements are satisfied, the relevant Member shall promptly notify the Applicant of their Authorisation by no later than 31 December of the year in which the application was made. The Authorisation, once issued, is strictly personal to the AR concerned and cannot be assigned or transferred to any other person.

Registration

- 6.3 Upon Authorisation, the relevant Member shall complete and issue the registration of the authorised AR in the form set out on the World Athletics website and as amended from time to time.
- 6.4 Each Member is responsible for promptly notifying World Athletics of its registration of an authorised AR.

- 6.5 Each Member shall keep an up-to-date list of all registered ARs within its jurisdiction and shall immediately notify World Athletics of any changes to such list.
- 6.6 World Athletics shall maintain and publish annually a list of all ARs representing Top Ranked Athletes who have been authorised or recognised by Members, together with the Athletes they represent.

Duration

- 6.7 Authorisations are granted to ARs for a period of 4 years and are effective from 1 January of the year following the issuing of the Authorisation and are subject to renewal in accordance with the provisions of Regulation 6.9 below.

Termination

- 6.8 An AR who decides to terminate their activity must provide written notification of such termination to the Member that issued their Authorisation. The relevant Member shall notify World Athletics of such termination without delay. The AR must also immediately notify all the Athletes that the AR represents that their activity has terminated.

Renewal

- 6.9 The Authorisation shall expire automatically on 31 December of the relevant year. If the AR thereafter wishes to renew their Authorisation, he shall be required to satisfy the following conditions:
- 6.9.1 to complete and submit a new Application Form;
 - 6.9.2 to provide evidence of having attended at least 1 World Athletics authorised training session in

 - 6.9.6 to satisfy any other reasonable condition as may be required by the relevant Member.
- 6.10 If the AR does not satisfy the requirements of Regulation 6.9, their Authorisation shall automatically terminate upon expiry. An entirely new application must then be submitted in accordance with these AR Regulations, including passing a new examination.
- 6.11 If the AR meets the deadline set out in Regulation 6.9 above, the Member shall review the updated information, together with any other relevant factors, and decide within 30 days whether to renew the Authorisation for a further 4 years period, such renewal not to be unreasonably withheld. Members shall notify World Athletics in writing within 30 days of every decision that it takes to renew or refuse the renewal of an Authorisation and, in the case of a refusal, shall provide written reasons for such decision.

Revocation

- 6.12 The Authorisation of an AR may be revoked at any time if the AR does not comply with their obligations in accordance with the Athletes' Representatives Rules, these AR Regulations, the agreement between AR and Athlete or the agreement between AR and Member.
- 6.13 Where the Member seeks to terminate an AR's Authorisation, it shall give the AR notice of the reason or reasons why it wishes to do so. The AR shall be given the opportunity, whether orally or in writing, to give their views on the reasons for termination given by the Member. Having received those views, the Member shall consider them and, if it thinks appropriate, may revoke the AR's Authorisation or allow it to continue but subject to certain specified conditions.
- 6.14 If the Member revokes an AR's Authorisation, it shall report the revocation to World Athletics within 24 hours.

Recognition

- 6.15 The Authorisation is strictly personal and non-transferable. It allows ARs to conduct their activities on a worldwide basis unless another Member specifically provides in its regulations that, in order for the AR to conduct their activities in the jurisdiction of that Member, the Authorisation must first be recognised by the Member. In such a case, the Member shall grant recognition to an AR upon their written request provided that it is satisfied that the AR fulfils the conditions and requirements set out in the Member's rules and regulations. By making a request for recognition by another Member, the AR agrees to abide by the rules and regulations of the relevant Member.
- 6.16 Members shall decide whether to grant recognition to an AR within three months of receiving the AR's written request together with all relevant evidence as may be required by the Member. Members shall notify World Athletics in writing within 30 days of every decision that it makes to grant, refuse or withdraw recognition of an AR and, in the case of a refusal or withdrawal of recognition, shall provide written reasons for such decision.
- 6.17 Recognition shall constitute an authorisation by a Member to carry out the activities of an AR in the Country or Territory of that Member or with respect to an athlete affiliated to that Member.
