“The IAAF World Relays have excelled beyond our expectations”

The inaugural IAAF World Relays in Nassau was a tremendous success with three world records set across the two days of competition.

“The IAAF’s faith in the innovative IAAF World Relays, a new event with a new presentation concept, and The Bahamas’ ability to deliver a top global sports entertainment product have been richly rewarded this weekend” said IAAF President Lamine Diack.

“In the ‘sun, sea and sand paradise’ that The Bahamas markets itself, we have experienced a true sporting paradise which has exceeded beyond our expectations. The people have embraced the IAAF World Relays and the noise of their support will be left ringing in our memories for many years to come.”

Looking ahead to the peak of the season

But the athletics action never stops and already the focus has moved on to the next stage of the IAAF Diamond League, which resumes in Eugene this weekend.

In fact, June is one of the busiest months of the year as several of the IAAF’s series will be staging competitions. Aside from the Diamond League, there are three IAAF World Challenge meetings in June, four IAAF Combined Events Challenge competitions, five fixtures in the IAAF Hammer Throw Challenge and a handful of IAAF Label Road Races.

June also marks the one-month count-down to the IAAF World Junior Championships, when the future stars of athletics will descend upon Eugene.
